SCHEDULE D, PART X, LINE 2	FIN 48 The Association follows the provisions of ASC 740, Income Taxes ASC 740-10 clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. These requirements stipulate that the tax effects from an uncertain tax position can be recognized in the consolidated financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The Association is exempt from federal income taxation by virtue of being an organization described in Section 501 (c)(6) of the Internal Revenue Code ("Code"). Nevertheless, the Association may be subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Association recorded tax provisions of approximately \$187,293 and \$700 for the years ended December 31, 2018 and 2017, respectively, resulting from unrelated bus iness income activities conducted by the Association. As of December 31, 2018, management has determined that there are no significant uncertain tax positions that would require recognition or disclosure in the accompanying consolidated financial statements.
