Thriving Children United Way program partners help children in New London County to thrive by gaining a healthier start in life and increasing their chances of reaching their full potential. Programs that receive United Way support under Thriving Children provide quality early childhood education, give youth out of school enrichment and mentoring opportunities, provide literacy and educational supports, and provide healthy living and refusal skills. United Way supports ten programs that address Thriving Children. One example of a result from a Thriving Children partner is from the Drop-In Learning & Resource Center Out of School Care and Enrichment Program which serves children ages 4-14. The program helps participating students to improve academic performance by either maintaining average grades in school or having better than average grades through homework support and an emphasis on literacy. The enrichment programs give students more time in a structured, collaborative environment, giving them exposure to a broader range of opportunities to develop their abilities and grow into healthy and responsible adults. Of the students attending the Out of School Care and Enrichment Program, 85% maintained or improved their grades on their 3rd semester report card.

Form 990, Part III, Line 4c:

Basic Needs United Way of Southeastern Connecticut supports programs located in New London County that help stabilize individuals and families enabling them to focus on the next steps towards their economic self-sufficiency now and into retirement. United Way's partner programs in Basic Needs meet the most fundamental of human needs for those struggling to make ends meet including food, clothing, transportation and shelter, provide emergency shelter to victims of domestic violence, provide housing with support services, and provide emergency financial and heating assistance. The New London County Fund to End Homelessness focuses on rapidly rehousing individuals and families who are experiencing homelessness as well as keeping those who are at risk of homelessness in their current housing without ever having to enter shelter. The goals are to reduce the length of time individuals and families stay in shelters, reduce new episodes of homelessness, and reduce return entries into homelessness. Families and individuals experiencing homelessness or are struggling with losing their housing face many barriers. The first call for help is to United Way 2-1-1 where a Housing Specialist will determine if someone is either homeless or imminently homeless. The individual or family is referred to Eastern Connecticut's Coordinated Access Network for an intake appointment where all possible alternatives to shelter are explored. United Way is the administrator of the program. Direct housing and supportive services are provided by 5 area organizations: TVCCA, Always Home, Covenant Shelter, New London Homeless Hospitality Center and Norwich Human Services. Service providers work the premise that shelter should be used as a last resort. This may involve mediation with a family or landlord, problem-solving guidance, connection to community resources, and financial assistance for past-due rent, security deposit, or similar costs.
