All decisions made by staff are to be made solely on the basis of a desire to promote the best interests of JFNA and the public good. This policy is intended to clearly establis h JFNA's policies and procedures with regard to activities engaged in by members of the professional staff that may be considered a conflict of interest JFNA's General Counsel, Chi ef Financial Officer and Vice President of the Human Resources Department will monitor compliance with this policy. Administration of this policy will be the responsibility of the CEO/President or Executive Vice President and JFNA's outside counsel. A conflict may exist when an employee takes actions or has business interests that make it difficult to perform his or her work objectively and effectively. Conflicts may also arise when an employee or a member of his or her family receives an improper personal benefit as a result of the employee's position in JFNA, whether received from JFNA or a third parity. Professional staff members are required to avoid all conflicts of interest unless they receive prior approval in writing from the CEO/President (or any committee of the Board entrusted with the oversight of conflicts of interest), who will confer with JFNA's outside counsel, both of whom shall be responsible for the administration of this policy. Although hit is not possible to specify every action that might create a conflict of interest, this policy sets forth the ones that most frequently present problems.
