PART X, LINE 2 - FIN 48 FOOTNOTE:	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize an income tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the tax positions taken by the Plan and concluded that as of June 30, 2019 there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax-related interest or penalties for the periods presented in these financial statements.
