## Supplemental Information

Return Reference	Explanation
Part X	Fin 48 The foundation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The foundation has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it was nexus, and to identify and evaluate other matters that may be considered tax positions. The foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

Schedule I, Line 1	The Foundation occasionally makes grants to Jewish 501(c)(3) charities in the United States that support its mission and ultimate goal of promoting Jewish life outside of Israel. For grants made to other organizations, the Foundation requires periodic updates on the use of the funds. In 2017, the Birthright Foundation made a hardship financial grant to a Birthright trip participant who has no relationship to any officer, director or key employee of the organization. This grant was a one-time grant offered based on dire financial need, no further monitoring of the grant was required as all funds were used to satisfy immediate medical expenses.
