Schedule D, Part V, Line 4	<p>The Foundation maintains several donor-restricted funds the purposes of which are to provide support principally for trip enhancements and ancillary programs. In classifying such funds for financial statement purposes as either net assets with donor restrictions or net assets without donor restrictions, the Board of Directors looks to the explicit direction of the respective donor and provisions of applicable New York state law. Schedule D, Part X Fin 48 The foundation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The foundation has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it was nexus; and to identify and evaluate other matters that may be considered tax positions. the foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.</p>
