of St. Vincent de Paul, Inc. (National SVdP) limits a foreign grantee's use of funds to specific projects that further National SVdP's charitable, religious, and educational purposes under section 501(c)(3), exercises control and discretion over a grantee's use of the funds, and provides for receipt and maintenance of periodic accountings from foreign grantees establishing that the funds were utilized for 501(c)(3) purposes. The application of these guidelines shall be on a risk-based approach and will differ depending on (a) the nature of the foreign organization, (b) the size, scope, and duration of the grant relationship, and (3) the foreign country's legal structure and political climate of the region. National SVdP regularly reviews and assesses its ongoing foreign grantmaking activities utilizing the Treasury Risk Matrix for the Charitable Sector. To the greatest extent possible, National SVdP's grantmaking activities are performed to comply with a low risk tolerance. All foreign grant recipients are screened on the Department of Treasury's Office of Foreign Assets Control Specially Designated Nationals List (SDN List) prior to grant distribution. National SVdP also routinely monitors country-specific sanctions programs and information available in regions where National SVdP is granting funds. Prior to distributing grant funds to a sanctioned country or region with a high risk of terrorism, National SVdP consults legal counsel and secures applicable licensing with OFAC to ensure that all grants comply with US laws, foreign policy and national security goals. International Twinning Program. National SVdP's International Twinning Program connects instituted/aggregated US-based SVdP Conferences and Councils to instituted/aggregated SVdP Councils and Conferences in foreign countries lacking resources to conduct their works of charity. Charitable funds are collected from twinned Conferences and Councils in the US and granted to participating twinned Conferences and Councils in foreign countries. These grantees share the same religious and charitable purposes of National SVdP. Foreign grantees' use of funds are governed by the International Twinning Commission Policies and Procedures Manual, which requires the grantee to use the funds for specific charitable projects, provide adequate control and oversight safeguards, and establish regular reporting on the use of the funds for National SVdP. Foreign grantees must complete a certification that the grantee will utilize the funds in accordance with the Twinning Manual, comply with additional anti-terrorism and legislative/political campaign restrictions required under US law, and provide reporting in accordance with the same. This certification must be completed prior to the granting of any twinning funds. All International Twinning applications approved by the International Twinning Commission are reviewed and approved by the Chief Executive Officer and are subject to quarterly reporting to the Finance Committee or other committee authorized by the National SVdP Board of Directors. Non-Twinning Grants and Contributions. Foreign grantees that do not participate in the International Twinning Program must complete a Pre-Grant Inquiry prior to receiving a grant from National SVdP. National SVdP reviews the pre-grant inquiries to ensure that the project(s) to be funded further National SVdP's religious and charitable purposes and the grantee organization is an appropriate recipient to expend the funds for the proposed project(s). Foreign grants made outside the scope of National SVdP's International Twinning Program are governed by a written grant agreement that restricts grantee's use of the funds to specific charitable and religious projects and mandates reporting procedures. Long-term grant agreements are reviewed on a two to three-year basis. All Non-Twinning grants and contributions are reviewed and approved by the Finance Committee or other committee authorized by the National SVdP Board of Directors monthly, and are subject to a semi-annual reporting to the National SVdP Board of Directors. Disaster services also trains local members on best practices for disaster response and deploys emergency response teams to the impacted area. In cooperation with the Society of St Vincent de Paul Disaster Services Corporation and its member councils and conferences, the National Council of the United States, Society of St Vincent De Paul, Inc has helped thousands of families rebuild after a natural or man-made disaster such as catastrophic flooding, hurricanes and devastating fires. While these disasters are traumatic for all who experience them, our most vulnerable populations have the fewest resources for recovery. Families that were on the edge of poverty before the disaster are now in poverty facing the overwhelming task of rebuilding their lives. Given the Society's founding principle of working face-to-face with people in poverty and our proven abilities to help before, during, and after the disasters, and in collaboration with the Society of the St Vincent De Paul Disaster Services Corporation and SVDP Councils/Conferences, the National Council of the United States, Society of St Vincent de Paul, Inc provides much needed assistance in disaster case management, and local safety net providers help disaster survivors develop individual recovery plans or road maps with resources to help rebuild and shape their future and essential items to re-furnish homes utilizing a holistic, community-based approach to helping families immediately after a disaster.</p>
