V 4	<p>IRC Board of Directors has established a fund to provide for the long-term financial stability of IRC and to enhance its ability to respond to extraordinary emergency needs. The purpose of this fund is to provide a mechanism for the Board of Directors to set aside and invest certain funds. Accordingly, the Board of Directors has designated the Leo Cherne Emergency Fund, certain unrestricted bequests, extraordinary gifts as determined by the Board of Directors, and portions of unrestricted surpluses in operating funds for this purpose. IRC permanently restricted donor endowment and emergency funds further support the long term financial stability of the organization. Included in this category are endowment specific donations and emergency funds that allow IRC to use principal on a temporary basis for emergency response situations and to preposition itself with commonly used emergency response inventory. Principal used by IRC must be subsequently returned to the fund. IRC maintains a spending rate policy on the endowment invested assets. The spending rate policy was designed to preserve the value of the investment portfolio in real terms and to reduce the impact of market fluctuations on operations. The spending rate used for operations is set at 4.5% of the previous three-year rolling fair value average.</p>

Return Reference	Explanation
Part I Line 5,20-25-28	The number of contributions is difficult to confirm as the same donor will make various contributions throughout the project in tranches as needed to support their grant funded program implementation and the individual contributions are received at the field level in our various country offices. The detailed documentation is held at the different office locations throughout the 34 countries we work in plus our US program offices. The number of individual contributions of goods would easily number in the 100s of thousands of items. HQ does not track to that level of detail but has all of the supporting documentation and invoices utilized for valuation and recording in the US and country locations.
