This program developed fitness and fitness education through sponsored programs such as soccor. It also provides funds for individuals to learn from professonal doctors how to better care for their bodies through medicine and holistic approaches to health, such as good eating and exercise habits

2 School Reading Program

We provided these funds to the University of Utah for a childrens reading program which we have participated in the last several years. These funds literally help hundreds of disadvantaged children learn to read at a higher level than possible in a normal classroom setting.

3 Importance of Education program

124,392

An education day was held in November 2018, whereby a large group of youth ages 8 through 18 where brought in, divided into groups according to age and taught a variety of things depending on their age. The main focus was to encourage them to love to learn and love technology. They were also taught life lessons on how to be safe on the internet. The children learned in an atmosphere where all were etified, feed physically, and given tools to help them reach their potential and be inspired to learn. The children received technology tools to help them learn. The program involved about 125 children.
