Supplemental Information

Return Reference	Explanation
Schedule D, part x, line 2	the company utilized a two-step approach for recognizing and measuring uncertain tax positions accounted for in accordance with the asset and liability method. The first step is to evaluate the tax position for recognition by determining whether evidence indicates that it is more likely than not that a position will be sustained if examined by a taxing authority. The second step is to measure the tax benefit as the largest amount that is 50% likely of being realized upon settlement with a taxing authority. There were no amounts recorded for uncertain tax positions as of december 31, 2018 and 2017.
