**Form 990, Part III, Line 4a:**

The Organization is an independent school that offers progressive, scientifically-supported educational programs for children from eight weeks of age through eighth grade. These programs consist of multi-age groupings where children enjoy a prepared environment that optimizes personalized learning, allows for peer learning, and emphasizes hands-on and applied experiences that lead to mastery of both academic knowledge and real world skills that will serve them into adulthood. These prepared learning environments are supported by highly trained developmental specialists who are educational guides, supporting the holistic development of the children they serve. In this way, we are able to meet our mission for each child.

## **Form 990, Part III, Line 4b:**

In 2018, Princeton Montessori School proudly received authorization for the Middle years Programme as an International Baccalaureate (IB) World School at the MYP level. A new committee was formed to plan faculty professional development, intended to increase faculty attendance at professional development opportunities throughout the year. An improved employee growth and development plan (GDP) system was implemented to align faculty and staff performance with organizational goals. A new internet network was installed providing secure and uninterrupted service throughout the building to increase bandwidth, network speed and support technology needs in the classroom. Finally, the School instituted a print program by installing several state of the art copiers/printers throughout the school to support teachers in creating better teaching materials.

### **Form 990, Part III, Line 4c:**

For the 2017-18 academic year, the school had the highest enrollment of the past four years. This was a direct result of leadership's focus on developing a contemporary independent school admissions team model, forming and benefiting from a Retention Committee, improving our marketing and branding, and most importantly, investing in quality improvements within each program. In making strides toward helping parents better understand the value of a quality Montessori education, we created program-specific videos, restructured our Back to School Night format to allow hands-on interaction with materials and teacher-described purpose of curriculum. The school has improved its promotion of key and unique happenings and traditions, such as our middle school trip to Spain and involvement with Montessori Model United Nations, which will also benefit retention.
