Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Short-Term. Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You must check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page

for one or more of the boxes, con	iplete as mai	ny forms with	the same box ch	necked as you r	eed.

9	Minimum tax credit carryforward to 2019. Subtract line 8a from line 4. Keep a record of this				
	amount to carry forward and use in future years	9	4,677,122	00	

Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

What's New

Refundable minimum tax credit. For tax years beginning in 2018, the minimum tax credit limitation is increased by the AMT refundable credit amount. See the instructions for line 6.

Purpose of Form

Corporations use Form 8827 to figure the minimum tax credit, if any, for AMT incurred in prior tax years, the refundable AMT credit amount, and to figure any minimum tax credit carryforward.

Who Should File

Form 8827 should be filed by corporations that had:

- An AMT liability in 2017.
- A minimum tax credit carryforward from 2017 to 2018, or
- A qualified electric vehicle credit not allowed for 2017 (see the instructions for line 3).

Line 3

Enter any qualified electric vehicle credit not allowed for 2017 solely because of tentative minimum tax limitations.

Line 5

Enter the corporation's 2018 regular income tax liability, as defined in section 26(b) (S corporations also see section 1374(b)(3)(B), minus any credits allowed under Chapter 1, Subchapter A, Part IV, subparts B, D, E, and F of the Internal Revenue Code (for example, if filing Form 1120, subtract any credits on Schedule J, Part I, lines 5a through 5c, from the amount on Schedule J, Part I, line 2).

Line 6

Beginning in 2018, the minimum tax credit limitation is increased by the AMT refundable credit amount. The portion of the credit treated as refundable is 50% of the excess of minimum tax credits available over the 2018 regular tax liability. Complete the Worksheet for Calculating the Refundable Minimum Tax Credit Amount, later in the instructions. Enter the amount from line 6 of the worksheet on Form 8827, line 6.

Note: A corporation with a short tax year (less than 12 months) must prorate the refundable credit based on the number of days in their tax year.
