Part X : FIN48 Footnote	<p>In June 2006, the Financial Accounting Standards Board (FASB) issued Interpretation No. 48, Accounting for Uncertainty in Income Taxes-an interpretation of FASB Statement No. 109, Accounting for Income Taxes (FIN 48), which creates a single model to address uncertainty in tax positions and clarifies the accounting for income taxes by prescribing the minimum recognition threshold a tax position is required to meet before being recognized in the financial statements. Under the requirements of FIN 48, tax-exempt organizations could now be required to record an obligation as a result of a tax position they have historically taken or various tax exposure items. Prior to FIN 48, the determination of when to record a liability for tax exposure was based on whether a liability was considered probable and reasonably estimable in accordance with SFAS No. 5, Accounting for Contingencies. On July 1, 2007, the parent company, WellSpan Health, adopted FIN 48. WellSpan Health determined that it does not have any uncertain tax positions through June 30, 2019.</p>

Form and Line Reference	Explanation
Part I, Line 6a - Related Organization Community Benefit Report	Community Benefit Information is included in the Community Benefit Report for WellSpan Health.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 2 - Methodology Used To Estimate Bad Debt Expense	The number was calculated using the cost to charge ratio factor applied against actual patient bad debt write-offs. These numbers are included after all efforts have been exhausted to determine if the patient meets our charity care write-off policy based on federal poverty levels.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 3 - Methodology of Estimated Amount & Rationale for Including in Community Benefit	The estimate of bad debt attributable to charity care policy was calculated by dividing the bad debt amount that was originally coded bad debt but later found to qualify as charity care by the amount coded to the charity care write-off codes. This ratio is applied to the bad debt cost factor expense.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4 - Bad Debt Expense	Ephrata Community Hospital provides an allowance for doubtful accounts for estimated losses resulting from the unwillingness or inability of patients to make payments for services. The allowance is determined by analyzing specific accounts and historical data and trends. Patient accounts receivable are charged off against the allowance for doubtful accounts, when management determines that recovery is unlikely, and ECH ceases collection efforts. Losses have been consistent with management's expectations in all material respects.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 8 - Explanation Of Shortfall As Community Benefit	Ephrata Community Hospital maintains records to identify and monitor the level of charity care and community service it provides. These records include the amount of charges forgone based on established rates for services and supplies furnished under its charity care and community service policies and the estimated cost of these services. Payments from Medicare are generally less than Ephrata Community Hospital's costs of providing the service.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 9b - Provisions On Collection Practices For Qualified Patients	<p>Guidelines for suggested minimum number of phone attempts and letters to be sent before the account is turned over to an outside collection agency are included in the Patient Administrative Services Policy. Upon final PARO (Payment Assistance Rank Ordering) scoring, if a patient qualifies for presumptive charity, their account would not be forwarded to any third party collections. It shall be the policy of Patient Administrative Services to recommend accounts to Bad Debt on a timely basis. Inpatient/Outpatient accounts will go to bad debt automatically after the account has been in the financial class Pending Bad Debt for 30 days. All accounts must follow the approved limits for refunds and write offs, as established in Policy PF-102, before being transferred. The primary agencies will work the accounts for 6 months or until they feel it is uncollectable and return the account. The accounts are forwarded to secondary agencies from the primary agencies Closed and Return Reports. The financial class is changed to Bad Debt Other after the Closed and Return Reports are received from the Secondary Agency. The agencies must get written approval from the manager in the relatively rare instance of legal action being taken to collect the debt.</p>

Part VI, Line 2 - Needs Assessment	<p>As noted, WellSpan-Ephrata Community Hospital participated in the completion of two Community Health Needs Assessments (CHNA) in the 2018 tax year. The first, a county-wide CHNA, was conducted in partnership with Live Well Lancaster and its partner organizations using the Conduent-Healthy Communities Initiative (HCI) model. These entities regularly collect available secondary data on diverse topics including: community demographics; health behaviors and conditions; vital statistics, and; community conditions (i.e., air and water quality), and share it with community members through its organizational websites. The current county-wide CHNA may be found on the WellSpan Health website (www.wellspan.org). In addition, results are annually shared at the Lancaster Health Summit, a partnership between Live Well Lancaster and the Lancaster County Business Group of Health. After its affiliation with WellSpan Health, a regional health care system, WellSpan-Ephrata Community Hospital (WECH) also adopted a second, parallel CHNA process to better understand the health needs of its service market specifically. The CHNA marks the second CHNA conducted in this manner. The methodology, analysis and priority setting processes mirror the other WellSpan Health entities regionally. Information collected through the CHNA was then shared with diverse community stakeholders to educate about current needs, identify areas of focus, and garner collective support for future strategy development and implementation. Community organizations represented included: Ephrata Area School District; the Northern Lancaster County Chamber of Commerce; Ephrata Community Hospital Foundation; Good Samaritan Shelter; WellSpan Philhaven; WellSpan Medical Group; Cocalico School District; the Northern Lancaster County Hub including Ephrata Area Social Services and Real Life Community Services; the Ephrata Public Library and; Welsh Mountain Federally Qualified Health Center (FQHC). Through the consulting support of the Floyd Institute for Public Policy at Franklin and Marshall College, a representative sample of 500 adults residents in the greater Ephrata (Northern Lancaster County) area were interviewed between March 26 and May 13, 2018 using survey questions derived from the Behavioral Risk Factor Surveillance System (BRFSS), a validated survey tool utilized by the Centers for Disease Control and Prevention (CDC), and organized into four categories: healthcare access, behavioral risk, health conditions, and prevention behaviors and context. Supplemental secondary data from the Robert Wood Johnson Foundation (RWJF) annual County Health Rankings and from the Pennsylvania Department of Health was compiled and integrated into the 2018 CHNA. Data collected and analyzed by the Floyd Institute for Public Policy included breakdowns by age, gender, geographic area, race/ethnicity, and income level, and enabled the development of charts/graphs focused on: quantity of residents affected; health risks and disability-adjusted life years; correlates of obesity and depression (two significant health priorities); health disparities, and; social determinants of health impact. This information is included in the 2018 Community Health Needs Assessment Summary Report available at www.wellspan.org. CHNA results and related priorities identified by WellSpan- Ephrata Community Hospital and its community partners were shared with the system-wide Planning Committee at WellSpan Health, a Committee comprised of community members and leaders that represent each of WellSpans primary entities and service areas, in addition to corporate leadership. Planning Committee members reviewed the CHNA data, and designated system-wide priorities as: Care for all, including a focus on access to care and health equity; Behavioral health and lifelong wellness, which would incorporate behavioral health, substance use and addiction and lifelong wellness, and; healthy communities and social determinants of health, which provide a deeper dive into community engagement, social determinants of health and violence prevention. The identified priorities and associated data were subsequently presented to the WellSpan- Ephrata Community Hospital Board for their adoption. Board members discussed the data and identified priorities within the context of existing staffing and financial resources, current and future entity initiatives, and community partnership opportunities to address systemic community change. The final CHNA report, along with the WellSpan Community Health Improvement Plan (CHIP) was presented in June 2019 to the Planning Committee, at which time correlations were observed between the CHNA, CHIP and the WellSpan 2025 Strategic Plan.</p>

<p>Part VI, Line 5 - Promotion of Community Health</p>	<p>As a charitable, community-based healthcare organization, our commitment to improving the lives and well-being of the people and communities we serve is evident in our mission statement: working as one to improve health through exceptional care for all, lifelong wellness, and healthier communities. Employees live out this mission statement every day by engaging in community benefit activities that address community needs, especially the health priorities identified in the 2018 CHNA - access to care and health equity; behavioral health, substance use and addiction, and lifelong wellness, and community engagement, social determinants of health and violence prevention. Through its various locations in the greater Ephrata community, WellSpan-Ephrata Community Hospital provides a range of wellness and health education programs designed to address key CHNA findings and to promote healthy lifestyles and disease prevention. These programs include: health screenings; diabetes education; nutrition and weight management counseling; tobacco cessation; CPR and first aid instruction; support groups; community health fair participation, and; health education programs. Many of these programs are offered for free or at a minimal cost to the participant. In addition to the educational and health promoting programs offered by WellSpan-Ephrata Community Hospital, the hospital has an evident commitment to building and strengthening community partnerships, enhancing access to healthcare services for community members, and supporting the lifelong wellness of northern Lancaster County. One of many exemplary community partnerships in the northern Lancaster county region includes WellSpan Ephrata Community Hospitals relationship with the Ephrata Public Library. This partnership continues to grow and expand and is a catalyst for change in the community. One example of a unique community-based partnership between WellSpan-Ephrata Community Hospital and Ephrata Public Library includes the implementation of the GO Ephrata! summer physical activity program. The Ephrata Public Library and its Summer Reading Club, along with WellSpan-Ephrata Community Hospital, annually encourage children and their families to be physically active during the summer months by participating in an adaptation of letterboxing, an international hobby where participants use written clues to find items hidden in various places. Additionally, WellSpan-Ephrata Community Hospital has been an active participant with the Ephrata Public Library and other community partners to develop the Northern Lancaster County Hub. This hub serves as a resource center for residents desiring connections with community and social service organizations, many of which are located in Lancaster City, approximately 16 mile s away. The Hub provides a wide array of services including food assistance, health care, career help, literacy services, counseling, housing support and other services to residents of Ephrata, Denver, and nearby communities. This initiative has been supported financially by WellSpan Health Community Partnership Grant funds. In 2019, Community Partnership grant funds supported REAL Life Community Services in the development of the Declaration House, which will house the Northern Lancaster County Hub. Opioid use, as in other communities across the United States, has become a crisis in the Ephrata area. WellSpan-Ephrata Community Hospital staff participate with a regional Opioid Awareness coalition, a multi-sector collaborative seeking to create coordinated messaging, outreach and management of opioid users in southcentral Pennsylvania. This staff commitment compliments a financial commitment to SouthEast Lancaster Health Services to implement Project Lazarus Lancaster, an overdose prevention program funded in part by a WellSpan Community Partnership grant, that addresses the growing opioid epidemic. Collectively, these programs aim to reduce opioid use and overdoses. Regionally, WellSpan has also developed and expanded its Medication Assisted Treatment (MAT) program, by serving 476 patients in 2019 alone. Access to high quality healthcare remains a regional focus for WellSpan, as observed in Lancaster County by the organizations support of the Welsh Mountain Medical and Dental Center, an FQHC that met patient needs in Lancaster and Lebanon counties by providing over 18,000 medical visits and over 24,000 dental visits. Regionally, WellSpan also supports thousands of uninsured and underinsured community members with its Healthy Community Network program, and provides financial assistance for prescriptions so that those facing financial hardship will not need to avoid prescriptions because of cost. Community Partnership Grant funds were also leveraged in northern Lancaster County to support: -Public safety through the purchase of a \$32,000 drone for the Ephrata Police Department.-Ephrata Area Social Services in upgrading refrigerators, freezers, shelving and produce storage at</p>

Additionally, WellSpan-Ephrata Community Hospital participated in system-wide initiatives to address the shared community health priorities for the entire WellSpan footprint. These efforts included behavioral health specific efforts, advanced care planning and adult overweight/obesity, for example. WellSpan-Ephrata Community Hospital supported the education of greater Ephrata area residents about end-of-life planning and care, or Horizon Planning as it is termed locally and continues to offer both the Early Bird Walkers and Healthy Moves programs for older adults. WellSpan- Ephrata Community Hospital employees and community members engaged in the 7th annual 10 Pound Throwdown in 2019. The 10 Pound Throwdown is a 10-week community challenge that encourages participants to lose or maintain a healthy weight through healthier eating and increased physical activity. Developed in 2013 to address the growing issue of adult overweight/obesity, the initiative and utilizes a core website (www.10poundthrowdown.com). In 2019, the 10 Pound Throwdown engaged 6,400 community members across four southcentral Pennsylvania counties -Adams, Lancaster, Lebanon, and York. WellSpan- Ephrata Community Hospital primary care practices in northern Lancaster County participated in the Market Bucks program to address food insecurity and increase the consumption of fruits and vegetables. This program reaches those with an elevated Body Mass Index (BMI) who also experience a comorbidity associated with diet. The program provides fruit and vegetable vouchers to be redeemed at local farmers markets and encourages healthy eating. Market Bucks boasts an astounding 86% redemption rate and contributes over \$30,000 to the regional economy each year, in addition to demonstrating increased fruit and vegetable consumption for participants. Additional examples of how WellSpan-Ephrata Community Hospital fulfilled its community mission in the greater Ephrata (Northern Lancaster County) area may be found in the 2019 WellSpan Community Benefit Report- available online at www.wellspan.org. CHNA results were also made available to the public on the WellSpan Health (www.wellspan.org) website, and may also be obtained upon request.</p>

Form and Line Reference	Explanation
Facility: - Part V, Section B, Line 5	<p>The healthcare environment in Lancaster County and its associated historical partnerships has resulted in WellSpan-Ephrata Community Hospital participating in two separate Community Health Needs Assessment (CHNA) processes in Lancaster County. First, WellSpan-Ephrata Community Hospital maintained its partnership with Live Well Lancaster and its partner organizations to conduct an ongoing CHNA across the county. Using the Conduent-Healthy Communities Initiative model (HCI), these entities regularly collect available secondary data on diverse topics including: community demographics; health behaviors and conditions; vital statistics, and; community conditions (i.e., air and water quality). Public health experts and various community stakeholders review this data and provide comments and recommendations based on county data and the clients they represent. The individuals consulted with represent diverse sectors of the Lancaster County community including: mental health; city and county government; health care organizations; the state health department; nursing homes; public health entities; homeless facilities; pregnancy services; faith-based; low-income service agencies; the local chamber of commerce; chronic disease and health-related organizations (HIV prevention; cancer prevention; immunization), and; racial/ethnic community-based organizations. In addition, to better understand the health needs of its service market, WellSpan-Ephrata Community Hospital conducted a CHNA with other WellSpan Health entities across its region, with a focus on the primary market served by WellSpan-Ephrata Community Hospital. Information collected through the CHNA was then shared with diverse community stakeholders to educate about current needs, identify areas of focus, and garner collective support for future strategy development and implementation. Community organizations represented included: Ephrata Area School District; the Northern Lancaster County Chamber of Commerce; Ephrata Community Hospital Foundation; Good Samaritan Shelter; WellSpan Philhaven; WellSpan Medical Group; Cocalico School District; the Northern Lancaster County Hub including Ephrata Area Social Services and Real Life Community Services; the Ephrata Public Library and; Welsh Mountain Federally Qualified Health Center (FQHC).</p>
Facility: - Part V, Section B, Line 6a	<p>County-wide CHNA Lancaster Behavioral Health Hospital, Lancaster General Hospital, Lancaster Rehabilitation Hospital, UPMC Lititz, WellSpan Ephrata Community Hospital. Ephrata market-specific CHNA: Gettysburg Hospital (Adams); Good Samaritan Hospital (Lebanon); WellSpan Surgery and Rehabilitation Hospital; and York Hospital (York).</p>

Form and Line Reference	Explanation
Facility: - Part V, Section B, Line 13b	Patients 401% of poverty level and greater do not qualify for financial assistance. However, all uninsured patients qualify for a 20% "no insurance" discount, regardless of income.
Facility: - Part V, Section B, Line 13h	WellSpan Health is committed to caring for all the members of its communities, regardless of their ability to pay. In recent years, overall charity care has decreased slightly as more people have obtained health insurance coverage through the Affordable Care Act and the expansion of Pennsylvanias Medical Assistance (Medicaid) program. WellSpan is proud to be a leading partner in the Healthy Community Network, which works to address the needs of uninsured and underinsured individuals in our community. In addition, the health system recently enhanced its financial assistance policy and the discounts that it provides on services. For example, if a patients income is less than 300 percent of the federal poverty level, that patient would be eligible for a 100 percent discount on the services provided. Additionally, significant discounts are available for patients whose income is between 300 percent and 400 percent of the federal poverty level. For more information on WellSpans Financial Assistance program, visit www.WellSpan.org/FinancialAssistance .

Form 990 Part V Section C Supplemental Information for Part V, Section B.

Section C. Supplemental Information for Part V, Section B. Provide descriptions required for Part V, Section B, lines 1j, 3, 4, 5d, 6i, 7, 10, 11, 12i, 14g, 16e, 17e, 18e, 19c, 19d, 20d, 21, and 22. If applicable, provide separate descriptions for each facility in a facility reporting group, designated by "Facility A," "Facility B," etc.

Form and Line Reference	Explanation
Facility: - Part V, Section B, Line 16j	In an effort to make patients, families and others in our communities aware of the newly expanded Financial Assistance Policy, WellSpan broadly publicized its policy via promotional signage and the distribution of easy-to-read informational materials at registration sites throughout our communities. WellSpan provided information on the Financial Assistance Policy on its billing statements and included information in patient discharge materials. In addition, the materials and information are easily accessible via WellSpans website at www.WellSpan.org/FinancialAssistance . The site reflects WellSpans newly enhanced policy, as well as informational and application materials. It was also publicized via WellSpans on-hold phone messaging system and in its direct-to-consumer community newsletter/magazine, which is distributed by mail, email and Web. In addition, WellSpan placed posters and signage at its various sites of care to publicize its Financial Assistance Policy. Printed copies of WellSpan Healths entire financial assistance policy and the plain language summary of the policy, both of which are available in English and Spanish, may be obtained at no cost by visiting or calling one of the WellSpan patient financial services offices. The Financial Assistance Policy, Financial Assistance Application and Financial Assistance Policy Plain Language Summary are all available in Spanish.
Facility: - Part V, Section B, Line 22d	WellSpan Health will provide assistance to all patients whose income falls within 400 percent of the federal poverty guidelines and within the asset limits listed on Attachment A. Those patients qualifying for financial assistance will receive a discount based on the amount generally billed (AGB), which is applicable to the facility at which services were provided. The AGB is calculated by the look-back method, in accordance with IRS Regulation 501(r). This is based on payment received from Medical Assistance and all private payors, in the most recent completed 12 months.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	All WellSpan entities follow WellSpan policies and procedures regarding grant projects to ensure that the use of grant funds are consistent with WellSpan's commitment to endeavor to improve the health status of the communities that we serve. The WellSpan foundations are supporting organizations and substantially all of the grants and other assistance they make furthers the exempt purposes of their "supported organizations", each of which are exempt affiliated organizations within the WellSpan Health system. Because the supported organizations identify the projects and exempt activities that will be funded by the foundations' grants and other assistance, and because there is a cross-over between the respective governing bodies and management of the foundations and their supported organizations, the foundations are able to effectively monitor that the grants they make are used for their intended purposes.
