Schedule D, Part X, Line 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability if the Fund has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Fund, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Fund is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods.
