## Supplemental Information

Return Reference	Explanation
Schedule D, Part X, Line 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability if the Fund has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Fund, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements. Should such penalties and interest be incurred, the Fund's policy is to recognize them as administrative expenses.
