Part V, Line 4	<p>Explanation Appointment to an endowed chair rewards a scientist's professional contributions, recognizes the value of his or her research endeavors, and safeguards the funding needed to continue these pioneering inquiries. Those who support a chair endowment become vital partners in our scientists' groundbreaking, lifesaving discoveries. Endowing and naming a chair provides the opportunity to honor a loved one with a memorial that will last for many, many years. Endowed chairs provide a steady and predictable flow of funds in perpetuity, allowing the institution to strengthen the quality of its programs and services beyond levels that their funding sources alone could support. Temporarily restricted funds give the Institute for Cancer Research the flexible funding to initiate new research programs for the prevention, detection, and treatment of cancer. The funds assist patients and their families to receive the best support and provide important services to the community.</p>
