Generally all revenue earned outside the purpose for which the Foundation is created is taxable as earned income.

Part XIII Supplemental Information (continued)

Pt X, Line 2

The Accounting Standards Codification provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the organization's tax return to determine whether the tax positions are "more likely than not" of being sustained "when challenged", or "when examined" by the applicable tax authority. Tax positions not deemed to meet the "more likely than not" threshold would be recorded as a tax benefit or expense and liability in the current tax year. Management has determined that there are no uncertain income tax positions. Generally, the organization is no longer subject to income tax examinations by federal, state or local authorities for years ending on or before June 30th, 2014.
