### Form 990, Part III, Line 4a:

Outpatient services - The outpatient services counseling program provides a variety of services including child and family therapy, parent education groups, after-school and summer groups to approximately 1,375 children in Lane County and 621 children in Deschutes County and their families. These children exhibit significant difficulty at home, at school and in their communities and are at risk of developing serious illness without intervention. Outpatient Services serves as an umbrella program for other services including Wellness and Assessment. Assessment aids in developing treatment, family, education, crisis safety plans, care coordination and service coordination plans as developed by child and family teams. Wellness aims to support clients and their families in making healthy choices in all aspects of their lives, which includes physical health along with social, financial, environmental, intellectual, spiritual, emotional and occupational health. The assistance addresses barriers influencing the current choices of clients.

Intensive Outpatient Support Services Program (IOSS) - The Intensive Outpatient Support Services Day treatment program provides psychiatric and special education services in the classroom at local schools. The program provides services to children suffering from severe emotional or behavioral disturbances that impede their success but can transition back to the public sector with help. Part X : FIN48 Footnote	The Child Center is generally exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. However, federal income and state excise taxes are calculated for unrelated business income at current statutory rates. As a result of management's evaluation of its tax exempt status, potential uncertain tax positions, and unrelated business income, no provision for taxes has been made. The Child Center files required informational returns with both the U.S. federal government and the State of Oregon.
