### **Form 990, Part III, Line 4a:**

At Home Health & Hospice Care, we take great pride in offering high quality specialized home care to patients of all ages, from newborns to those nearing end of life. Serving 25 communities in Southern New Hampshire, our non-profit agency offers skilled nursing, rehabilitation, IV therapy, wound care, advanced illness management, palliative care and medical social workers. Following surgery or an acute illness or injury, home care is a resource that allows a patient to regain independence and become as self-sufficient as possible. Home Health & Hospice Care's superior patient outcomes, cutting edge technology and leadership in disease management are just a few of the reasons why we were voted 2017 Healthcare Business of the Year by New Hampshire Magazine. And, we embrace tremendous community support as evidenced by over 13,000 volunteer hours given annually. When medical care can no longer offer a cure, hospice focuses on providing patients with comfort, dignity, and quality of life as the end of life draws near. Our Hospice Program is not about giving up hope, but instead about new hope. It's about carrying out an individual's wishes at the end of life while controlling symptoms and pain. It is about providing emotional, spiritual, and social support to patients and their families. In addition to our specialized medical and therapeutic staff, this program is also supported by over 250 volunteers who provide direct client support in the form of pet, music, and other comforting therapies as well as stand vigil so no one ever has to face death alone. Hospice care takes place in the home setting, in nursing homes, and at our very own Community Hospice House, a facility designed to replicate the home environment. For decades, Home Health & Hospice Care has been meeting the needs of those who are coping with the loss of a loved one. Our bereavement program is based on a simple yet powerful philosophy: that being able to talk about what one is feeling and finding compassionate support in that process can be a great source of solace and well-being. Programming is tailored to meet the needs of grieving adults and children. These services are available to anyone who has experienced the death of a loved one. These services are free of charge. Home Health & Hospice Care also hosts multiple monthly clinics at various locations supervised by a nurse to provide specialized foot care for any and all community members.

Return Reference	Explanation
Schedule G, Part III, Line 16	Tina Andrade, Director of Development, supervises the raffles as part of her job responsibilities. Services provided include selling tickets along with other staff and volunteers. Ms. Andrade oversees all fundraising event related activities, including organizing staff and volunteers and recordkeeping for the raffles. Total compensation paid to Ms. Andrade was in her capacity as an employee of Home Health and Hospice Care; services related to the raffle were a very small portion of the total services she provided to the organization during the fiscal year, so no reasonable basis for the amount of her compensation related to gaming activities can be established.
Schedule G, Part III, Line 15a	The Organization had an agreement where Boston Billiards Club & Casino would provide Home Health & Hospice Care a percentage of revenue from Boston Billiards Club's games of chance proceeds. Home Health & Hospice Care never paid Boston Billiard Club directly and was not directly involved in administrating any of the games of chance. Home Health & Hospice Care was charged \$200 a day for the ten day event which was taken directly out of the proceeds earned by Boston Billiard Club which then donated the remaining \$63,371 of proceeds to Home Health & Hospice Care.
