billing, quality and patient safety, and marketing and also oversees and supports health education and community wellness programs throughout the System's service area. Legacy is the sole corporate member of six nonprofit corporations: Legacy Emanuel Hospital & Health Center (LEHHC), Legacy Good Samaritan Hospital and Medical Center (LGSHMC), Legacy Meridian Park Hospital (LMPH), Legacy Mount Hood Medical Center (LMHMC), Legacy Salmon Creek Hospital (LSCH), Silverton Health (SH) and Legacy Visiting Nurse Association (LVNA). While there is investment in a variety of community-based activities and programs as a part of its non-profit status, an overwhelming majority of Legacy community benefit comes in the form of providing uncompensated care. Legacy's policy of providing care regardless of the ability to pay makes it one of the region's largest providers of uncompensated care in the four-county metropolitan area, Legacy, collectively provided over \$51 million, \$207 million, \$193 million, and \$5 million in uncompensated care attributable to its financial assistance, Medicaid, Medicare, and other government programs, respectively, in fiscal year 2020. In addition, Legacy provided over \$27 million in other community benefit activities during fiscal year 2020. In support of its mission, Legacy voluntarily provides medically necessary patient care services that are discounted or free of charge to persons who have insufficient resources and/or who are uninsured. The criteria for charity care is determined based on eligibility for insurance coverage, household income, qualified assets, catastrophic medical events, or other information supporting a patient's inability to pay for services provided. Specifically, Legacy provides an uninsured discount of 35% to patients. Additional discounts, on a sliding scale, are available to patients whose household income is less than 400% of the federal poverty level. For patients whose household income is at or below 300% of the federal poverty level, a full subsidy is available. In addition to the household income criteria, the patients' qualified assets (e.g., 25% of household assets), and other catastrophic or economic circumstances are considered in determining eligibility for charity care. During 2020, Legacy provided charity care on 65,784 patient accounts, representing 6,748 inpatient accounts, and 59,036 outpatient accounts. In 2020, 15% of the patients receiving charity care received a full subsidy representing roughly 30% of the total charity provided. The top five services provided to patients qualifying for charity care were emergency/trauma, surgery, cardiovascular, pediatrics, and general acute care. In addition to charity care, Legacy provides services under various states' Medicaid programs for financially needy patients, to Medicare beneficiaries and to beneficiaries under other government programs (such as Tricare). The cost of providing services to these beneficiaries generally exceeds the reimbursement from these programs. The cost of services provided under these programs is determined based on the relationship of costs (excluding the provision for uncollectible accounts and those costs associated with medical education, research, community health services, and other contributions) to billed charges. Legacy also employs financial counselors and social workers, who assist patients in obtaining coverage for their healthcare needs. This includes assistance with workers compensation, motor vehicle accident policies, COBRA, veterans' assistance, and public assistance programs such as Medicaid. This program assists many patients in obtaining coverage through a third party, reducing the patients' financial responsibility.

provide annual grants to community based programs addressing racial and ethnic disparities and inequities. The Community Health Fund has provided 52 grants since 1998 totaling over \$9.7 million. In addition to the Community Health Fund contributions, \$435,000 in grant funding was awarded to community based organizations to strengthen organizational capacity and support programs and initiatives that address the social determinants of health and health equity, focused on early childhood education and meaningful employment. Recognizing that education, employment and income inequities exist for communities of diversity, and that health professions are lacking in diversity, Legacy established the Health Occupation Profession and Education (HOPE) program (formerly Youth Employment in Summer program). Each year, ethnically diverse communities (African American and Hispanic youth) receive paid summer employment in departments where they worked with health professionals and earn college scholarships between \$3,000 and \$10,000 annually. Students can remain in the program as long as they stay in school and pursue healthcare careers. Some students have remained in this program for as long as seven years and graduated with degrees in a variety of healthcare fields. Legacy encourages and supports employee volunteerism. Legacy donates \$100 to nonprofit health, human service or education organizations in honor of employees who volunteer on personal time 50 hours a year. Employees may receive paid time when volunteering in one or two week time periods in local nonprofit organizations through Legacy's community service leave program. Non-cash donations of resources include clinical and non-clinical services and items (e.g., screenings and support services, internships, information and referral services and health fairs). Legacy's warehouse is available to nonprofit organizations to obtain surplus equipment and furniture. In addition, conference room space is made available to local nonprofits

In 1998, the Legacy Board allocated \$10 million to establish a Community Health Fund from operating revenue to address major community health issues. The Fund aims to

Part V, Line 4: Intended uses of the endowment fund.	Endowment funds disclosed in Part V are used to improve the healthcare of the community as designated by the donors. Legacy Health Foundation (LHF) maintains all charitable gifts including endowment funds for the benefit of Legacy and it's programs. Income from permanen tly restricted net assets is accounted for in accordance with the donors' instructions.Leg acy follows the guidance in the Uniform Prudent Management of Institutional Funds Act (UPM IFA) in determining the net asset classification of all donor-restricted endowment funds. In accordance with UPMIFA and board policy, assets classified as permanent endowments in a cordance with donor intent are only utilized for current period expenditures to the extent that earnings on the endowment exceed the original fair value of the donation. To the extent earnings on endowment funds exceed identified expenditures on which to apply those earnings, the earnings are classified as temporarily restricted net assets. Legacy has adopted investment and spending policies for endowment assets to provide a predictable stream of funding to programs supported by its endowment and to maintain the value of the endowment assets. Asset allocation is reviewed quarterly with respect to: i) Legacy's tolerance for isk based on its financial condition and need for cash from investments to support oper ations; ii) expected asset class return, risk and correlation characteristics; iii) changes in accounting guidance or tax law and iv) changes in bond covenants or other restriction s.Legacy's spending practices are intended to comply with donor's wishes and meet all applicable laws and regulations. Spending must be for a purpose that is consistent with the documented intent of the donor, and may not exceed the amounts annually determined by Legacy. Factors that are considered in addressing the annual spending allocation are: i) market value of the fund relative to the principal of the gift and ii) the level of spending in prior years. Form 990, Part VI, Line 12c: Explanation of Monitoring	The following is a summary of Legacy's policy and procedures for conflict of interest disclosure, monitoring and resolution.All Legacy employees and non-employees in leadership positions (e.g., Board members, Foundation Trustees, Medical Directors) are required to disclose potential conflicts of interest as the conflict arises. All employees are required to disclose any conflict of interest per the Standard of Conduct policy. Certain groups have annual formal disclosure requirements, Executives and non-employees in leadership positions complete the Conflict Disclosure Statement from the Standards of Conduct policy annually.
and	Officers, Directors, Trustees, Key and Highly Compensated employees are also required to complete a questionnaire covering
Enforcement	business relationships, business transactions with interested parties, loans and grants. Conflict Disclosure Statements and
of Conflicts	questionnaires are returned to Legacy Corporate Compliance or Tax Departments for review of the disclosure. If a conflict is
	disclosed, or identified through any other means, Legacy Corporate Compliance ensures that management mitigates the risk (e.g.,
	discontinues relationship with vendor, segregates responsibilities, recuses Board member from voting in area of conflict) and that

the conflict and mitigation steps are reported to the appropriate level (e.g. Audit and Compliance Committee of the Board).
