ORGANIZATION MISSION AND PROGRAM ACTIVITIES	<p>FORM 990, PART III, LINE 4B GOVERNMENT PROGRAMS FCHP is the only organization in Massachusetts to offer a full range of commercial health insurance products along with most government-sponsored programs. These government programs, listed below, account for 50% of FCHP's total membership: Medicare Advantage and Medicare Supplement Medicaid (MassHealth Accountable Care Organization Partnership Plans) Medicare Advantage Special Needs Plan and Senior Care Options Program of All-Inclusive Care for the Elderly (PACE) Subsidized, limited-network plan in Central Mass and Metro West Managed Long Term Care (MLTC) plan in western New York. In 1980, FCHP was the first HMO in the country to receive a Medicare risk contract. Today, FCHP's Medicare Advantage plans continue to serve the needs of seniors across the Commonwealth of Massachusetts. FCHP's Summit ElderCare is the largest PACE program in New England and the sixth largest in the country. FCHP has seven PACE sites - six in Massachusetts and one in western New York. Through its PACE program, FCHP is also a provider of care. In 2017, FCHP formed MassHealth Accountable Care Organization Partnership Plans with the following provider groups: Berkshire Health Systems and Community Health Programs Reliant Medical Group Wellforce and its provider organizations.</p>

FORM 990, PART III, LINE 4c	<p>Community giving FCHP is a not-for-profit health care services organization headquartered in Worcester, Massachusetts. Our mission- Making our communities healthy - guides us in the work we do directly in the communities we serve in addressing health care barriers that impact positive health outcomes. Today we spread our mission across Massachusetts and western New York State. We are a forward-thinking, cohesive group that works with local providers and leaders in the communities we serve to improve residents' health and well-being, regardless of whether they are Fallon members. In addition to our products and services, FCHP provides corporate donations and our employees contribute both in-kind and monetary donations to help build healthy communities. Community focus is core to who we are as an organization and with a highly engaged and committed workforce, we are able to make a meaningful difference at the grassroots level and beyond. Our community giving programs include grants, sponsorships, in-kind donations, advocacy and volunteering. As partners, advocates and volunteers, FCHP has a long history of leadership in addressing health care barriers that have a real impact on the health and well-being of underserved communities. The two main ways we address these barriers is through grant-making and community engagement. Some examples include: Building and stocking food pantries, donating vans to support our elders' transportation needs and helping first-generation students complete their college applications. We are guided by our funding priorities that have been determined in collaboration with our provider partners and other key community stakeholders. Through a comprehensive community health needs assessment, the following three funding priorities drove giving in 2018:</p> <ul style="list-style-type: none"> Senior health initiatives: Programs that support seniors living safely in their homes and communities, providing access to care, behavioral health resources, and access to food and utilities. Children and youth health initiatives: FCHP supports community based programs or organizations that provide access to programs that wrap services and resources around children and youth. These programs work collaboratively to engage other community partners that are committed to finding solutions that will positively impact children and youth directly in their neighborhood, schools and communities in a positive and progressive manner utilizing both evidence based/informed and innovative models to impact change. Food insecurity: FCHP supports programs that help to address food insecurity for all individuals impacted by this issue. Our focus is on programs that provide access and educational resources on healthy eating, community gardens, financial literacy, food preparation, vocational training and access to food in the most underserved and underrepresented communities. In 2018, FCHP distributed \$1,224,030 to programs that met the goals of Fallon's Community Benefits program. This was

FORM 990, PART III, LINE 4c	<p>accomplished through the distribution of more than \$850,600 in support of our funding priorities, including grants, direct expenses, leveraged expenses, staff and volunteer time. We also supported other philanthropic initiatives totaling approximately \$373,430 in community sponsorships. We personally visit the organizations who serve our most vulnerable communities to distribute funds and learn more about the region's needs and how we can work together to be a continued resource. FCHP's employees throughout the organization are encouraged to volunteer in the community and are provided eight hours of paid work time to do so. Employees volunteer thousands of hours for initiatives such as the United Way's "Day of Caring Working for Worcester's "Community Build Day". Our employees volunteered 5,370.5 hours of their time in 2018 with 1,723.5 hours for Fallon driven initiatives. Some highlights of FCHP's giving, whether through grants or employee engagement, include:</p> <ul style="list-style-type: none"> Our commitment to hunger: We understand that one of the most basic barriers preventing people from positive health outcomes is not being able to access food. For the last 13 years, we've hosted an annual golf tournament to raise funds for hunger relief programs throughout the state. In 2018, we distributed one hundred percent of the net proceeds of \$125,589 to organizations that applied to receive these grants through our online application process. More than 60 hunger relief organizations received funding (staff and volunteer support for this event exceeded 900 hours). In 2018, FCHP's Senior Leadership started the year serving and preparing dinner for approximately 350 children at the Boys & Girls Club of Worcester. With an ongoing commitment to address hunger, they saw first-hand how food insecurity takes a toll on our young children and their families. Fallon employees returned in the spring to completely restock the food pantry that we built the previous year at the Club. In the spring of 2018 our employees went to the Elm Park Community School to build out several new spaces, including a food pantry, a multi-space classroom and a clothing boutique. Then later in the fall our employees built out and fully re-stocked a new food pantry at the Abby Kelle y Foster Charter School in Worcester to welcome the students and their families back for the new school year. In May of 2018, Fallon delivered a 2017 Nissan NV200 van to St. John's Food for the Poor in Worcester. This program serves up to 700 hot nutritious meals a day to low-income families, children, seniors, homeless individuals and the working poor. They depend on their vans for their extensive food rescue efforts. St. John's has well over 20 established food insecure resource programs to fight hunger in Worcester. United Way campaign at FCHP: Fallon has been a community leader in the United Way campaign for many years. In 2018, employees planned a full calendar of activities so that everyone could participate at different levels. Employ

The campaign culminated with a company-wide holiday basket raffle. Fallon employees used approximately 617 hours to support the United Way's campaign activities that encompassed their participation in the Day of Caring community volunteer program. These efforts, along with a corporate donation, helped to raise approximately \$60,744 for the local Central Mass United Way FCHP addressing barriers in the Berkshires Region. In 2018, we increased our Community Benefits grants, sponsorships and hunger relief efforts in Berkshire County. We kicked off this initiative with public presentations of both grants and vehicles. We invited all of our partnering provider groups, community based organizations and key community stakeholders together for a community presentation. The event included the presentation of two SUVs donated by FCHP to elder services agencies in the Berkshires to enhance vital transportation services for seniors. This opportunity also helped to strengthen our commitment and understanding of the key social determinants and health care barriers in this county. We increased our commitments and identified new community partner organizations that align with our Accountable Care Organization Partnership Plan, Senior Care Options program and Medicare Advantage product. We also ended the year with direct support for the holidays with our "Feed a Family" food distribution program by delivering to elder services agencies 25 bags of food and grocery store gift certificates. Fallon partnering in addressing barriers in Middlesex County/Merrimack Valley Region. We've continued to work closely with key strategic community and provider partners in the Merrimack Valley region. In May 2018, Fallon hosted its second annual caregiving symposium in Lowell, which focused on creating awareness about the financial, emotional and physical costs of being a caregiver. The community event was well attended with positive feedback provided on post event surveys showing that the event was well regarded and offered important and timely content.</p>
