Name: HEALTHWISE INCORPORATED

Form 990 (2018)

Form 990, Part III, Line 4a:

Everything Healthwise does is in support of their mission to help people make better health decisions. The focus is on getting the right information and tools to the right person at the right time to help them do three things critical to the improvement of health care in America: 1. To help individuals provide as much care for themselves as they can do. This includes medical self-care and wellness activities along with navigating the health care system. (Continued on Schedule O) 2. To help individuals ask for the care they need. We give the patient plain-language guidelines for when medications, treatments and tests are recommended for specific medical conditions. 3. To help them say "no" to care that is not right for them. It is often up to the patient to determine when the risks of a treatment outweigh the benefits. People turn to Healthwise information to learn how to do more for themselves, ask for the care they need, and say "no" to the care they don't need. Our mission is achieved every time an individual uses our information and tools to make better health decisions.

Part I, Line 5	<p>In order for Healthwise to meet its mission of maximizing delivery of consumer health information and tools, Healthwise works with a variety of organizations that are active in the field of health education ranging from other nonprofit organizations to for-profit web portals. In order to accomplish this exempt mission, a small number of our employees are charged with the assignment of enhancing our distribution through building relationships with these organizations. The compensation plans are designed to bring sales incentive compensation into alignment with Healthwise's strategy emphasizing the achievement of our mission by increasing market share growth through new client acquisition. In developing the plan, Healthwise follows the principles of respect, teamwork, and do the right thing. These Healthwise employees' compensation is based partially on the results of their efforts tied to gross revenues received. It should be noted that none of the compensation is paid on net earnings. The setting of these employees' total compensation is reviewed carefully in comparison to market studies as benchmarks for reasonableness.</p>

Return Reference	Explanation
Part I, Line 7	If the mission accomplishment is achieved, the Board considers the financial capabilities of Healthwise to pay such additional compensation so as not to jeopardize its operating ability, as well as reviews total compensation to assure that all compensation falls within the reasonable remuneration factors as a tax-exempt organization. Once the Board establishes if there will be a payment and determines the percentage of base pay used to calculate such payment or a base amount to pay each employee, then the formula used to determine the payment is applied to all employees, including officers. Certain officers of Healthwise are eligible for this additional compensation based on a multiplier of up to 2.0 times the Board approved percentage.
