<b>Return Reference</b>	<b>Explanation</b>
FORM 990, PART VIII	<p>IMPACT OF COVID-19 PANDEMIC Early in 2020, the Mercy Health System was called to serve as the COVID-19 pandemic swept across the world. This continues to be a difficult time for all healthcare providers. All Mercy facilities adjusted operations for the impacts of the pandemic which meant making changes to patient care areas and cancelling most of our outpatient procedures for periods of time. In addition, Mercy foundations and outreach ministries experienced limitations in fundraising for program and capital support efforts that assist the underserved in our communities. Mercy's total system net patient revenues were reduced by over \$550 million dollars during the four months ending June 30, 2020, and this figure does not include the impact of any Coronavirus Aid Relief and Economic Security Act ("CARES Act") funding. Mercy received CARES Act funding across various entities for the year ended June 30, 2020 and recognized a portion of this funding in other operating revenue. These funds helped to offset revenue losses and additional expenses incurred due to the pandemic; however, these funds fell short of the system losses experienced in these months due to the pandemic. The impact of COVID-19 was significant to our communities and coworkers as unemployment rates soared and Mercy acted quickly to provide continuous care to patients and the community. Mercy continues to monitor the impacts of the pandemic both to the health system and the communities served as we continue to provide assistance and maintain access to care within our communities.</p>
