Return Reference	Explanation
Grantmaker's Description of How Grants are Used	Grants to the Elks National Veterans Service Commission and to the Elks Veterans Memorial Restoration Trust are based on their projected operating expenses. These organizations submit proposed budgets to the Foundation and the board of trustees approves an annual grant based on those budgets. These organizations provide the Foundation with their annual audited financial statements. Grants to the Elks State Associations are calculated using current and historical contribution rates of donors within the state. Each state association must submit a budget for its grant that is subject to review and approval by the Foundation before payment. At the conclusion of the grant year, the state association is required to furnish the Foundation an accounting and certification indicating how the grant funds were used. The Foundation compares the certification report with the budget and follows up with the association to resolve any significant discrepancies. In the event that a state association does not submit a certification report or fails to adhere to the grant guidelines, the Foundation withholds future grants. Grants to Elks Lodges are made for community related projects or activities. All lodge grants require written application and are subject to review and approval by the Foundation. Larger "Impact Grants" require a signed grant agreement from the lodge that spells out the term of the grant. For the duration of the grant, the lodge provides quarterly progress reports detailing activities and how the funds are used. At the end of the grant period or project completion, the lodge provides a final report and is required to return any unused funds. On-site visits by the Foundation are also made to assess the use of the award.
