## Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>Certain entities included in Northwell's consolidated financial statements are taxable entities under Federal or state laws. U.S. generally accepted accounting principles require that the asset and liability method of accounting for income taxes be utilized by these organizations and for unrelated business activities of the tax-exempt entities included in Northwell's consolidated financial statements. Under the asset and liability method, deferred income taxes are recognized for the tax consequences of temporary differences by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities. At December 31, 2019 and 2018, Northwell has a deferred tax asset of approximately \$112,000,000 and \$118,000,000, respectively, both of which have been fully offset by a related valuation allowance. A valuation allowance is provided when it is more likely than not that some portion or all of the deferred tax asset will not be realized. Significant components of the deferred tax asset relate to net operating loss (NOL) carryforwards. Certain entities have NOL carryforwards aggregating approximately \$540,000 at December 31, 2019. NOL carryforwards generated prior to 2018 will expire in varying amounts through 2037 and are available to offset future taxable income of the respective entity. NOLs generated after 2017 can be carried forward indefinitely, but with limitations.</p>

Part VI, Section B - Policies, Line 11	<p>The annual Return of Organization Exempt From Income Tax (Form 990) for Northwell Health, Inc. and Affiliated entities are prepared with input from various departments including Corporate Compliance, Finance, Human Resources, and Legal. Before filing the returns, the documents are electronically made available to all trustees through a secure online portal. Members of the Executive Committee are then informed the returns are ready for review. The Executive Committee, which is a committee made up of members from the Board of Trustees, may exercise all of the authority of the Board of Trustees except as such authority is limited by applicable law and except to the extent, if any, that such authority would be inconsistent with any provision of these By-laws or is limited by any resolution to such effect adopted by the Board of Trustees.</p>

**990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Part VI, Section B - Policies, Line 12C	<p>Northwell Health, Inc. ("Northwell") has several control mechanisms to mitigate conflicts of interest. Northwell's Code of Ethical Conduct contains a detailed section educating individuals about how to avoid potential conflicts of interest. Specifically, our Code of Ethical Conduct requires individuals to conduct Northwell business in a manner that places the interests of Northwell ahead of their personal interests. In addition, Northwell has a Conflicts of Interest Policy Statement further elaborating upon individuals' disclosure and recusal obligations. Individuals that are in a position to influence the business or other decisions of Northwell are required to fill out a conflicts of interest disclosure form on a regular basis. The Corporate Compliance Office reviews all disclosures of possible conflicts, including matters disclosed in any conflicts of interest disclosure report and takes any actions deemed required or appropriate to manage or resolve any actual or potential conflicts of interest. In appropriate cases these disclosures and responsive actions will be reported to Northwell's Audit and Corporate Compliance Committee and other applicable committees. In addition, Northwell provides training to individuals on an annual basis regarding conflicts of interest and other compliance related topics. If an individual violates the Code of Ethical Conduct or any related policy such as the Conflicts of Interest Policy Statement, appropriate disciplinary action is taken based upon the facts and circumstances of the situation.</p>

The Officers, Directors and Trustees listed on Schedule J hold similar positions with both this organization and other affiliates of Northwell, and they do not separately allocate their time to this organization and such other affiliates. **990 Schedule O, Supplemental Information**

<b>Return Reference</b>	<b>Explanation</b>
Part VI, Line 15	<p>The by-laws of Northwell Health, Inc. ("Northwell") create a committee of the board with full powers of the board to review and approve the compensation of officers and other key employees. The committee consists of approximately 6 trustees who have no connection to Northwell except as trustees and they have no conflicts as to matters they consider. The committee meets several times a year as needed but always meets in November/December to review and determine officer and key employee compensation for the following year. For purposes of their review the committee considers the recommendations of the CEO for all persons other than the CEO. For purposes of the review each year the committee receives information from an outside independent compensation consultant as to compensation for comparable positions in comparable organizations and makes its decisions on this basis, with the overall objective of paying base salary at the 50th percentile. Any contracts or other compensation for officers or key employees are separately considered and normally only approved after receipt of a "fairness opinion" from the independent consultant. All the work and process of the committee is structured to fall within the applicable safe harbor regulations.</p>
