Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission

Mentor partners with public high schools in low-income communities, where a majority of students served will be first-generation college graduates. We build mentoring relationships, which empower students to navigate high school, succeed in college, and achieve their ambitions. Since 1999, we have matched more than 29,000 across the country students with mentors. Our whole-school model matches every student in a school with a college-educated mentor, deeply integrated into each school's culture. Mentors commit to working with a single student for a minimum of three years, building their relationships through weekly online communication and monthly in-person meetings. We provide the expertise and support mentors need to be effective, including a college success curriculum that guides each weekly interaction and a full-time staff member responsible for the success of the relationship. Mentors gain a holistic understanding of their mentees' individual talents, aspirations, and challenges, w

Form 990 (2017)

Form 990, Part III, Line 4a:

iMentor is demonstrating how the strength of relationships can translate into meaningful results at a national scale. In the 2017-18 program year, the organization served 8,434 students in over 40 schools across the U.S. This includes 3,857 students in New York City, 1,042 students in Chicago, and 508 students in the second year of iMentors Bay Area program. Of these students, more than 1,200 were high school graduates who were enrolled in iMentors Post-Secondary Program. In addition, 3,027 students were enrolled in iMentors high school and post-secondary programs through our partnership with Big Brothers Big Sisters (BBBS). We believe that educational opportunity unlocks a world of possibility for young people. With too many odds already stacked against our students, we're fighting to give every student a fair chance to graduate college and reach their highest career aspiration. iMentor has developed a track record of delivering incredible results for the students it serves. iMentor students enroll in college on-time (73%) at a greater rate than the national average for students from low-income, high-minority schools (54%). 45% of iMentors college entrants graduate college within six years of enrollment, compared to 25% of low-income youth nationwide. In 2018, iMentor also embarked on a new strategy to guide the organization's evolution to 2023. In the next five years, iMentor will continue to close the college completion gap by supporting 28,000 mentoring relationships, in 33 communities across the country. Achieve widespread impact and expand its influence by building and mobilizing its mentor community and harnessing its data and knowledge to share insights with the field. Continue to mature as an organization and deliver excellent programming at scale.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 15b Compensation Review and Approval Process for Officers and Key Employees	<p>The iMentor Personnel Committee annually evaluates the CEO on his performance and asks for his input on matters of performance and compensation. The Personnel Committee, with assistance from the Chief Talent & Equity Officer ("CTEO"), Chief Operating Officer ("COO") and the CEO gather current salaries, comparable salaries from like organizations (similar in mission, size, budget, and geographical location) for like position (with similar professional qualifications and job duties), and salary history for the CEO and other highly compensated or key employees under evaluation. The CTEO and COO meet with the Personnel Committee to discuss any questions and provide additional information and research as needed to support the evaluation. The iMentor Personnel Committee obtains and evaluates research and information to make a recommendation to the full Board for the compensation (salary, benefits, any discretionary or performance-based bonus and any other compensation or benefit) of the CEO (and other highly compensated employees or key employees) based on a review of comparability data. For example, the Personnel Committee will secure data that documents compensation levels and benefits for similarly qualified individuals in comparable positions at similar organizations. This data may include the following: 1 Salary and benefit compensation studies by independent sources, 2 Actual written job offers for positions at similar organizations competing for the CEO's services, 3 Documented telephone calls and email communications about similar positions at both nonprofit and for-profit organizations, and 4 Information obtained from the IRS Form 990 filings of similar organizations. The Personnel Committee makes its recommendation to the Board in an Executive Session. The Personnel Committee then informs the CTEO and COO of the Board's compensation decision, which the CTEO and COO communicates to the CEO. Any performance-based bonus awarded to the CEO is granted at the discretion of the Board and subject to this policy. Salaries are finalized in conjunction with the Performance Evaluations.</p>
