## Supplemental Information

Return Reference	Explanation
PART V, LINE 4:	The Food Banks endowment consists of individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board to function as endowments. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

**Supplemental Information**

Return Reference	Explanation
PART X, LINE 2:	<p>The Food Bank is organized as a not-for-profit organization exempt from income tax under 501(c) (3) of the Internal Revenue Code. Income taxes on unrelated business income, if any, are provided at the applicable rates on income for financial reporting purposes. Accounting principles generally accepted in the United States of America require the Food Banks management to evaluate tax positions taken by the Food Bank and recognize a tax liability (or asset) if the Food Bank has taken a position that is uncertain. As uncertain position is defined as one in which there is a 50% or greater likelihood that the position will not be sustained upon examination by a taxing authority. Management has analyzed the tax positions taken by the Food Bank and has concluded that, as of September 30, 2019, there are no uncertain tax positions taken or expect to be taken. The Food Banks income tax filings are subject to audit by various taxing authorities. In evaluating the Food Banks activities, management believes its position of tax-exempt status is appropriate based on current facts and circumstances. Management has assessed that there are no activities unrelated to the charitable purpose of the Food Bank and therefore no tax is to be recognized. It is the policy of the Food Bank to include in operating expenses penalties and interest assessed by income taxing authorities. There are no penalties or interest from taxing authorities included in operating expenses for the years ended September 30, 2019 and 2018.</p>
