MAP provided more than \$26 million in medicines and health supplies to those affected - MAP International also provided relief for people fleeing violence in Syria, those trapped by the famine in East Africa, and victims of earthquakes and flooding in Guatemala, Mexico, and Sierra Leone. In 2017, MAP International began the process of establishing its field offices in Ghana, Cote d'Ivoire, Liberia, Kenya, and Bolivia as highly committed, independent and sustainable partner organizations. In line with sustainable development practices, MAP is establishing these offices as community-led local NGOs to ensure health development programs remain contextually relevant to the unique challenges each country faces. Through strong leadership, sustained and viable funding, and highly developed local and international partnerships, these offices have become beacons of hope. MAP International has long held to the truth that sustainable development is most effective when it comes from within the community. This truth has been demonstrated through the transition of MAP Indonesia into a local foundation. Established in 2004 because of the tremendous response from MAP donors following the devastating earthquake and tsunami, Menara Agung Pengharapan Internasional no longer needs to operate under the MAP umbrella. Today, it is a thriving, confident partner that is promoting community health services throughout the region. MAP International is proud to partner with each of these offices as we work together to build an ever increasing network of organizations focused on the improvement of the health and well-being of people. MAP International's sound fiscal management practices and commitment to accountability and transparency have earned it numerous awards and recognitions in 2017. For the fifth consecutive year, MAP earned a perfect '100' score in Financial Health, Accountability and Transparency from Charity Navigator. Forbes magazine ranked MAP as one of "America's Best Charities for 2017." MAP is committed to bringing health and hope to children and families in need in more than 90 countries around the world.
