Form 990, Part III, Line 4 COVID-19	<p>On March 11, 2020, the World Health Organization designated COVID-19 as a global pandemic. Fitness center activity and related revenues for most services were significantly impacted starting in mid-March as various policies were implemented by Federal, state and local governments in response to the COVID-19 pandemic that caused many people to remain at home and forced the closure of or limitations on certain businesses, as well as suspended elective surgical procedures and other nonessential healthcare services. In response to the pandemic, the fitness centers took several precautionary steps to enhance operational and financial flexibility to address the risks posed by the pandemic, including: implementing cost reduction initiatives; reducing certain planned projects and capital expenditures; executing revolving lines of credit at the corporate level; and taking advantage of various Federal stimulus and other relief opportunities available. The fitness center's operating results for the fiscal year ended June 30, 2020 were significantly negatively impacted by the pandemic, net of relief funds recognized.</p>

Form 990, Part VI, Line 15a Process to establish compensation of top management official	<p>Executive compensation, including the President and all officers of Edward-Elmhurst Health care ("Senior Management") is managed by the Edward-Elmhurst Healthcare ("EEH") Board of Trustees ("Board"), on behalf of EEH and all of its affiliates. On an annual basis, the Board reviews compensation arrangements, including the compensation award for the Edward Health and Fitness Center Executive Director for the coming year. The Board conducts the review in a manner that will qualify for the rebuttable presumption of reasonableness under the Intermediate Sanction Rules of Section 4958 of the Internal Revenue Code. To that end: - The CEO and all other members of Senior Management may participate in this review process and be present at meetings of the Board only if and to the extent necessary to answer questions and provide other information the Board needs for its analysis, assessment and deliberations, and they must otherwise recuse themselves from Board meetings during Board debate and voting on compensation arrangements. - Any Board member identified as having a conflict shall participate in the process only to the same extent as members of Senior Management. - The Board conducts the review with the assistance of an experienced and independent compensation firm, which summarizes its analysis and findings in writing to the Board. - The Board obtains and relies on current comparable market compensation data from appropriate peer organizations for each compensation component prior to making its determination. Relevant information will include compensation levels paid by similarly situated organizations, both taxable and tax-exempt, for functionally comparable positions; the availability of similar services in the geographic area served by EEH; current compensation survey compiled by an independent firm; and, where applicable, actual written offers from similar organizations competing for the services for the members of Senior Management. - The Board also adequately and promptly documents its decision. The documentation states its intention to qualify for the rebuttable presumption of reasonableness; the specific terms of the compensation arrangement that were approved; the approval date; the names of the individuals present and those who voted; the specific comparability data obtained and relied upon; and an explanation as to why the approved amounts are considered reasonable if the terms of the compensation arrangement differ from the comparability data. In addition, the Board periodically reviews the Executive Compensation Plan, including the philosophy, for (a) compliance with applicable laws and regulations, and (b) alignment with EEH's mission, charitable purposes, goals and strategies. Based on the review, the Board approves any changes in one or more components of the plan or the plan philosophy that the Board considers necessary and appropriate relative to one or both of these criteria.
