Form 990 (2019)

Form 990, Part III, Line 4a:

Program and Innovation The Fund's work includes investments in principal programming, actionable data and public reporting Fund programs serve leaders in schools across the city, representing a diversity of school types including elementary, high school, charter and district Each year, we leverage real-time data on school needs and outcomes to implement the most effective programs for our participating educators In 2019, we served leaders in nearly half of Chicago's public schools, impacting 154,000 students, 75% of whom are low-income We positively impacted principal satisfaction, retention and student outcomes across important measures 90% of principals say their participation in Fund programming increased their in-role satisfaction, and 31% of participating principals achieved an improvement in their overall 5Essentials rating, compared to a system wide average of 21% for all non-participating principals Specifically, we served 283 principals in 373 program slots This includes 32 principals who improved retention rates among their teachers in partnership with The New Teacher Project (TNTP) and Chicago Public Schools (CPS) and 23 principals who worked with Tegy, Inc , to modify their school schedules to more strategically serve their students One-hundred-fifty-four principals participated in one of 20 principal-led Professional Learning Communities (PLCs) Each PLC is facilitated by a high-performing principal with known expertise in a specific topic area The Fund also supported 70 principal-led teams through our seventh annual Summer Design Program (SDP), a unique professional development opportunity that offers school teams the space, time and expertise to pursue innovative solutions to some of their most pressing challenges Through the 2019 SDP, principal-led teams worked directly with expert partners from University of Chicago Impact and the National SAM Innovation Project In addition, The Fund's work included efforts to improve the retention of Chicago's top-performing principals through the Chicago Principals Fellowship (The Fellowship), The Cahn Fellows Program and Executive Principal The Fellowship, which is a partnership between The Fund, Crown Family Philanthropies, Chicago Public Schools and Northwestern University, is an executive-level leadership development program intended to grow the skills of top principals and further expand their leadership capacity Twenty-three high-performing principals joined the fifth cohort of The Fellowship in 2019, committing to lead in Chicago through at least 2021 The Cahn Fellows Program at Teachers College, Columbia University, offered programming to seven Chicago principals The Cahn Fellows Program is a national program that recognizes top principals and develops their capacity as leaders We also launched the Executive Principal program in the 2018-19 school year This program is a unique year-long opportunity for two principals to work and grow together through an intensive mentorship relationship Principals, who spend up to 300 hours together throughout the school year, are paired based on complementary strength and growth areas and school demographics Six principals engaged in the first cohort Across all our program investments, we double down on our organizational commitment to equity This included prioritizing supports for the schools that need it the most through one of our pilot efforts, the South Side Education Alliance This program serves eight elementary schools on Chicago's South Side through a collaborative approach - the group shares data, defines common outcomes and tests solutions in partnership with schools and communities

Form 990, Part III, Line 4b:

Systems and Policies In 2019, The Fund continued to support The Chicago Principal Partnership (The Partnership), a citywide effort to provide actionable principal quality data to stakeholders and ensure that principal quality remains an enduring priority in Chicago's school improvement strategy In 2019, The Partnership utilized its Data Warehouse that produces regular reports on key principal quality metrics for stakeholders and external audiences We also increased our efforts to engage Local School Council (LSC) members and develop resources to help LSCs hire principals This included launching an LSC Focus Group with 12 members who all represent parents and community members With this group, we created an informational video around the complicated processes of hiring principals and navigating school budgets, and we compiled a principal hiring toolkit Finally, in 2019, we identified the next edge of growth in Chicago's talent strategy building a strong leadership bench for new principals Our data analysis showed that school performance tends to drop in the year following a principal transition and does not recover the difference, even three years later However, successors who have prior principal experience at another CPS are typically able to drive greater improvement over time Through the generous support of the Crown Family Philanthropies, we launched two pilot programs in the 2019-20 school year, APs Rising and the Chicago Principal Endorsement Partnership, to make the pathway to the principalship more transparent and to create principal-like experiences for aspiring leaders

Form 990, Part III, Line 4c:

Educator Engagement The Fund seeks to engage perspectives from diverse educators to inform its program and policy efforts and develop a theory on what high-performing principals need to lead successfully. In 2019, The Fund invested resources in its Educator Advisory Committee (EAC), which is designed to inform Fund strategy and program. The EAC included fifteen principals from public schools on the West Side of Chicago. In addition, The Fund worked to inform its own and the city's efforts to improve principal quality by performing regular engagement surveys, exit surveys and focus groups with public school principals in Chicago. The Fund's annual engagement survey yielded a nearly 80% response rate and informed organizational strategy and programming. Finally, The Fund celebrated educators citywide through our third annual Principal Appreciation Campaign, which involved social media outreach with over seven million impressions, and videos sharing exceptional principal stories.

Name: Chicago Public Education Fund

Supplemental Information

Return Reference	Explanation
Part IV, Line 2b	The Fund serves as fiscal agent on behalf of the Schwartz Ward Family Foundation (the Foundation) with respect to the Executive Principal Program (the Program) in partnership with Chicago Public Schools. In December 2019, The Fund received \$210,000 in payment for second year stipends under this program, and \$105,000 of this amount was disbursed to Chicago Public Schools during that month. Amounts held for others as fiscal agent totaling \$105,000 at December 31, 2019 are reflected on the statements of financial position in an amount equivalent to the related balance held in investments.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Fund is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and applicable state law. In addition, The Fund qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). The accounting standard on accounting for uncertainty in income taxes addressed the determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, The Fund may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of The Fund and the various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statement from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The Fund does not believe that there are any unrecognized tax benefits or tax liabilities that should be recorded for the reporting periods presented in these financial statements.</p>
