Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	<p>Uncertainty in income taxes: GHS Iowa, GHS Illinois, GSL - Aledo, GMC - Aledo, the Genesis Foundation, Genesis Philanthropy and the Workers' Compensation Trust each files a Form 990 (Return of Organization Exempt from Income Tax) annually. When these returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. Examples of tax positions common to health systems include such matters as the following: the tax exempt status of each entity, the nature, characterization and taxability of joint venture income and various positions relative to potential sources of unrelated business taxable income. Unrelated business taxable income is reported on Form 990T, as appropriate. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes that it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions are not offset or aggregated with other positions. Tax positions that meet the "more likely than not" recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely to be realized on settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for uncertain tax benefits in the accompanying consolidated balance sheets along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Forms 990 and 990T filed by GHS Iowa, GHS Illinois, GSL - Aledo, GMC - Aledo, the Genesis Foundation, Genesis Philanthropy and the Workers' Compensation Trust are subject to examination by the IRS up to three years from the extended due date of each return. GenVentures is a taxable organization and currently files income tax returns in the U.S. federal jurisdiction and various state jurisdictions. There were no uncertain tax positions as of June 30, 2020 and 2019.</p>
