It shall be the continuing responsibility of the Board of Directors and executive team to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures. 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15a	<p>The Board Compensation Committee is responsible for recommending performance objectives for the CEO, evaluating the CEO's performance, and recommending to the board the base salary, cash incentive bonus, and other compensation for the CEO of Lifeworks. When making the recommendation, the committee relies on comparability data provided by internal HR staff and, from time to time, outside consultants. In January of 2017, Lifeworks hired a new President and CEO. That search process was conducted during the second half of 2016 by the external firm of LymanDoran. During that recruitment effort LymanDoran captured significant competitive compensation information on the candidates they sourced. Full compensation histories of the finalists were reviewed by the Board's Search Committee that included all members of the Compensation Committee. That data was used to develop a compensation package approved by the full Board. Annually, human resources reviews the pay structure for the Vice President of Finance position using salary surveys that compare the position to similar positions in other for-profit and nonprofit organizations in Minnesota and then reviews it with the President & CEO who then decides the Vice President of Finance's compensation.</p>
