In addition to these primary services, Meda has several strategic initiatives that fulfil our strategic goals of serving more minority entrepreneurs and leveraging partnerships to provide services and products at all points on the business lifecycle. These initiatives include: Junior Achievement/ Meda Fellows Program: Partnering with Junior Achievement of the Upper Midwest, Meda launched the JA/ Meda Fellows program designed to develop the entrepreneurial spirit in high school students. During the school year, participating students go through the Junior Achievement company program of starting a business and competing for customers and sales. During summer break, participating students are provided internships with Meda's minority businesses. The internships further develop entrepreneurial skills while matching students with mentors. Meda launched this program in Minneapolis' Patrick Henry High School in the 2017-18 school year and has expanded to Saint Paul in 2019. Catalyst: Meda is a founding organization of Catalyst, a consortium of seven Minnesota-based organizations that support minority entrepreneurs and their businesses. Our partners are the African Development Center, African Economic Development Solutions, Asian Economic Development Association, Community Reinvestment Fund, Latino Economic Development Center and the Northside Economic Opportunity Network. Catalyst's mission is to bring minority businesses to scale by increasing and strengthening stage appropriate supports that are available to them. Minority Business Support Platform: Meda is developing a cutting-edge, online platform designed to serve as a single point of entry for minority entrepreneurs into the support ecosystem. The platform will perform intake and assessment to be shared by partners. It will offer online lending, training modules and match-making for corporate and government contract opportunities.
