X 2	The Credit Union is exempt, under Internal Revenue Code IRC 501c14, from federal and state income taxes. The Credit Union has filed tax returns in the past for activities it has deemed taxable. The taxing authorities have the ability to assess taxes, penalties and interest for any years for which no tax return was filed. In the opinion of management, any liability resulting from taxing authorities imposing income taxes on the net taxable income from activities potentially deemed to be unrelated to the Credit Unions exempt purpose is not expected to have a material effect on the Credit Unions financial position or results of operations. The Credit Union evaluated its tax positions and determined no uncertain tax positions exist as of December 31, 2018 and 2017. The Credit Unions 2014 through 2017 tax years are open for examination by federal and state taxing authorities.

Part I Line 1a	Health or social club dues are paid for officers or members of the senior leadership team of Dupaco Community Credit Union as part of their compensation package. Any dues that are paid to these members are added to their W-2s at the end of the year as reportable compensation.

Return Reference	Explanation
Part II Line C	<p>The Dupaco Board of Directors has designed the Dupaco management compensation program to be competitive in the marketplace and ensure alignment of the long term interests of both managers and members. Dupaco management compensation is based on national compensation surveys and independent consultant analyses of similar sized financial institutions around the United States. The Dupaco Board of Directors Personnel Committee regularly reviews the data to ensure Dupaco is paying a fair market wage to attract and retain the best employee talent to manage a strong, stable and successful financial institution. The Personnel Committee provides annual recommendations of salary adjustments to the Board of Directors, who then votes on the recommendations. Components of management compensation packages include a large percentage of variable at risk pay, which is based on the credit unions member staff engagement, satisfaction, and financial performance during specified time periods, as well as the credit unions business strategy as determined by the Board of Directors. To retain long-term talent in the financial services industry, in addition to offering a 401K Salary Savings Plan, Dupaco provides designated executives with a non qualified long term executive incentive plan. Designed to be self funding in nature through the achievement of growth and member service initiatives, the funding cost of supplemental Retirement Plan benefits will be recouped by the credit union through life insurance policy proceeds on plan participants. A tool for retention, the participating staff member must remain at the credit union until retirement age to become fully vested in the deferred compensation benefit.</p>
