Return Reference	Explanation
Schedule L, Part II	The Children's Hospital Pediatric Associates, Inc (the Foundation) has developed a recruitment loan program for eligible employees as incentive for qualified employees to relocate to certain facilities as demands of the Foundation's practice arise. The loan proceeds are to be used for the purchase of a principal personal residence. The loans are secured by a promissory note and a second mortgage on the residence. The Foundation has provided four loans to three members of the board. However, the Foundation has provided loans to other employees. The amounts for the recruitment loans were originally funded by restricted donations provided by Boston Children's Hospital for use in recruitment. The loans will be forgiven over the terms of the notes if the recipients remain employed at the Foundation or its affiliates. If any borrower terminates his/her employment, the remaining balance becomes immediately due. The amount of the loan forgiveness will be included with accrued interest, if applicable, as compensation in the year forgiven.
