BY-LAWS*

ARTICLE I - OFFICES

The principal office of the corporation in the State of Missouri shall be located in St. Louis County. The corporation may have such other offices, either within or without the State of Missouri, as the Board of Directors may determine or as the affairs of the corporation may from time to time require.

ARTICLE II - BOARD OF DIRECTORS

Section 1. **General Powers.** The affairs of the corporation shall be managed by the Board of Directors (sometimes referred to herein as the "Board").

Section 2. **Number and Tenure.** The number of directors shall be set from time to time by resolution of the Board. Except as otherwise provided in these By-laws, the term of office of a director shall be from the time of election until the first regular Board meeting in the next calendar year, or until his or her successor is elected and qualified, or until his or her earlier death, resignation, removal, or disqualification pursuant to Section 4 of this Article II.

Section 3. **Selection of Directors.** The selection of directors shall be by election by the Board of Directors at the first regular Board meeting held in each calendar year. An affirmative vote of a majority of the directors present at a Board meeting at which a quorum is present shall be required for election.

Section 4. **Qualifications of Directors.** Each director of the corporation shall be an employee, officer or director of Monsanto Company or of a subsidiary or affiliate of Monsanto Company. A director's membership on the Board shall terminate immediately if the director for any reason ceases to be an employee, officer or director of Monsanto Company or of a subsidiary or affiliate of Monsanto Company.

Section 5. **Regular Meetings.** Regular meetings of the Board of Directors shall be held at the principal office of the corporation. The times of such meetings shall be determined by the Chair or any Co-Chair. Each director shall be given at least ten (10) business days' notice of any such regular meeting.

*As amended and restated on December 11, 1989; and as further amended effective September 4, 1990; November 18, 1992; February 17, 1994; July 12, 1995, July 21, 1998; May 16, 2000, August 13, 2002; June 21, 2011 and November 5, 2018

Section 6. **Special Meetings.** Special meetings of the Board of Directors may be called by or at the request of the Chair or any Co-Chair, the President, or any two directors, upon at least two (2) days' notice of the date, time, place and purpose of the meeting. The person or persons calling a special meeting may fix any place, either within or without the State of Missouri, as the place for holding such meeting.

Section 7. **Notice.** Notice of any regular or special meeting of the Board of Directors may be given orally or in writing (including electronic transmission, as defined herein), and may be communicated in person, by telephone, or other form of wire or wireless communication, or by mail or private carrier, to each director at his or her home or business address. Oral notice is deemed given when communicated. Written notice is deemed given at the earlier of: receipt; or five days after its deposit in the United States mail, as evidenced by the postmark, if mailed correctly addressed and with first-class postage affixed. Notice given by electronic transmission shall be deemed given (i) if by facsimile, when directed to the director's business or home fax number; (ii) if by electronic mail, when directed to the director's business or home electronic mail address, or to another electronic mail address at which the director has consented to receive notice; and (iii) by any other form of electronic transmission reasonably available to the director, and by which the director has consented to receive notice. A director may waive notice of any meeting, in a signed writing (including electronic transmission) filed with the minutes of the meetings of the Board of Directors. A director's attendance at a meeting waives any required notice of the meeting, unless the director, prior to the vote on a matter not properly noticed, objects to lack of notice and does not vote for or assent to the action. Neither the business to be transacted at, nor the purposes of, any meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these By-laws.

Section 8. **Quorum.** A majority of the Board of Directors then in office shall constitute a quorum for the transaction of business at any meeting of the Board.
