Return Reference	Explanation
Form 990, Part III, Line 4a	<p>Most jobs entail the manufacture or assembly of products such as janitorial, medical plastics, office products, and military textiles for the federal government and the New York state use program. In addition, blind jobs were created by fulfilling federal and state contracted services such as warehousing, switchboard, contract audit, mail bag sort, and operating military base supply stores. Alphapointe pursues product sales and service opportunities with state governments and in the commercial marketplace which complement the products and services already being provided through federal channels. All business lines performed by Alphapointe involve blind labor. The commercial business is primarily occurring within the plastic manufacturing, sewing and call center operations, adding at least 25 incremental employment opportunities for blind workers. The organization provides comprehensive rehabilitation, education and activities for all ages of people with visual impairments, having served 2,218 individuals during the past year. The rehabilitation and education program provided structured personalized training for braille, adaptive technology, orientation and mobility, activities of daily living, diabetes education, college prep, and/or job training for 619 individuals. Senior adult services touched 134 seniors who were experiencing vision loss, many being in-home visits. A low vision clinic served 326 individuals facing vision uncertainties. Another 792 individuals received referrals or guidance by contacting Alphapointe about their vision concerns. Some 343 visually impaired young people participated in the youth adventure camp, tech camp or other activities adapted to their circumstances.
