Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	ST ALEXIUS MEDICAL CENTER'S financial information is included in the consolidated audited financial statements of CommonSpirit Health, a related organization CommonSpirit Health' s FIN 48 (ASC 740) footnote for the year ended June 30, 2019, reads as follows "CommonSpirit has established its status as an organization exempt from income taxes under the Interinal Revenue Code Section 501(c)(3) and the laws of the states in which it operates, and as such, is generally not subject to federal or state income taxes. However, CommonSpirit's exempt organizations are subject to income taxes on net income derived from a trade or bus iness, regularly carried on, which does not further the organizations' exempt purposes. No significant income tax provision has been recorded in the accompanying consolidated financial statements for net income derived from unrelated trade or business. CommonSpirit's for-profit subsidiaries account for income taxes related to their operations. The for-profit subsidiaries recognize deferred tax assets and liabilities for temporary differences between the financial reporting basis and the tax basis of their assets and liabilities, along with net operating loss and tax credit carryovers, for tax positions that meet the morelikely-than-not recognition criteria. Changes in recognition or measurement are reflected in the period in which the change in judgement occurs. Income tax interest and penalties are recorded as income tax expense. For the years ended June 30, 2019 and 2018, CommonSpirit 's taxable entities recorded an immaterial amount of interest and penalties as part of the provision for income taxes. CommonSpirit's taxable entities did not have any material unrecognized income tax benefits as of June 30, 2019 and 2018. CommonSpirit reviews its tax positions quarterly and has determined that there are no material uncertain tax positions t				

hat require recognition in the accompanying consolidated financial statements"

consolidated footnote reads as follows CommonSpirit relies on the results of detailed reviews of historical write-offs and collections in estimating the collectability of accounts receivable. Updates to the hindsight analysis is performed at least quarterly using primarily a rolling eighteen-month collection history and write-off data. Subsequent changes to estimates of the transaction price are generally recorded as adjustments to net patient revenue in the period of change. Subsequent changes that are determined to be the result of an adverse change in a third-party payor's ability to pay are recorded as bad debt expense in purchased services and other in the accompanying consolidated statements of operations and change in

Schedule H, Part VI, Line 4 Community information	St Alexius provides outreach services across its service of central and western North Dakota St Alexius operates the Garrison Memorial Hospital in Garrison, North Dakota and manages the Community Memorial Hospital in Turtle Lake St Alexius owns and operates clinics in Mandan, Minot, Garrison, and Washburn North Dakota's population is 790,701 of which 75,858 reside in the city of Bismarck. The population is 92 1% white, 4 5% Native American, and the remaining 3 4% being African American, Asian, and Hispanic By the year 2020, 450 of the 53 counties will have more than 22% of their population age 65 or older. From 2000-2005 our state had a 15% decrease in the number of youth and a 13.8% increase in the minority population which was primarily Native American Reservations. North Dakota has 12% of their population living poverty. The leading causes of death in Burleigh county ranked in order are diseases of the heart, Alzheimer's, respiratory cancer, accidental, cerebrovascular disease, COPD, diabetes, breast cancer, and colorectal cancer. Health related behaviors influence cardiovascular diseases such as smoking, physical inactivity, poor nutrition, and unhealthy weight status. Hypertension is a chronic disease associated with aging that has a high risk factor for heart disease and stroke. In North Dakota, 26% of adults have high blood pressure. North Dakota adults are a part of the national trend towards increased obesity 63% of the adults here have an unhealthy weight/BMI. Some of the health screenings that St Alexius is conducting throughout the service region are vascular, wellness, memory, sleep apnea, and chronic obstructive pulmonary disease. Those individuals that are being screened at no or minimal costs are being alerted of health risks that might go undetected. Through screenings, it is our hope that these individuals seek further treatment and are empowered to make healthier lifestyle choices.

Schedule H, Part VI, Line 6 Affiliated health care system	The organization is affiliated with CommonSpirit Health. CommonSpirit Health was created by the alignment of Catholic Health Initiatives and Dignity Health as a single ministry in early 2019. CommonSpirit Health, a nonprofit, faith-based health system is committed to building healthier communities, advocating for those who are poor and vulnerable, and innovating how and where healing can happen - both inside its hospitals and out in the community. CommonSpirit Health owns and operates health care facilities in 21 states and comprises 142 hospitals, including three academic health centers, major teaching hospitals as well as 31 critical-access facilities, community health services organizations, accredited nursing colleges, home health agencies, living communities, a medical foundation and other affiliated medical groups, and other facilities and services that span the inpatient and outpatient continuum of care. In fiscal year 2019, CommonSpirit Health provided more than \$2.1 billion in financial assistance and community benefit for programs and services for the poor, free clinics, education and research. Financial assistance and community benefit totaled more than \$4.4 billion with the inclusion of the unpaid costs of Medicare. The health system, which generated operating revenues of \$20.96 billion in fiscal year 2019, has total assets of approximately \$40.6 billion. CommonSpirit Health provides strategic planning and management services as well as centralized "share services" for its Divisions. The provision of centralized management and shared services including areas such as accounting, human resources, payroll and supply chain provides economies of scale and purchasing power to the Divisions. The cost savings achieved through CommonSpirit Health's centralization enable Divisions to dedicate additional resources to high-quality health care and community outreach services to the most vulnerable members of

our society

The study concentrated on the stakeholders' concerns for the community specific to economic wellbeing, transportation, children and youth, the aging population, safety, health care and wellness, mental health and substance abuse. The study was conducted through a partnership with Center for Social Research (CSR) at North Dakota St ate University The CSR developed and maintained links to the online survey tool Bismarck -Burleigh Public Health distributed the survey link via email to stakeholders and key lead ers located within the Bismarck/Mandan community and Burleigh and Morton counties Data collection occurred during December 2017 A total of 68 community stakeholders participated in the survey Resident Survey The resident survey tool included questions about the respo ndent's personal health. An online survey was developed in partnership with public health experts. The Minnesota Health Department reviewed the survey and advised to include key gu estions used in the State Health Improvement Program (SHIP) surveys and those questions we re included in this survey The North Dakota Public Health Association developed an Addend um to the survey with questions specific to the American Indian population. The survey was sent to a representative sample of the Burleigh county and Morton county populations secu red through Qualtrics, a qualified yendor. A total of 645 community residents participated in the resident survey. Community Asset Mapping Asset mapping was conducted to find the community resources available to address the assessed needs. Each unmet need was researched to determine what resources were available to address the needs. Form 990, Part VI, Line 15a TOP MANAGEMENT OFFICIAL COMPENSATION	The organization's top management official's compensation was paid by Catholic Health Initiatives ("CHI"), a related organization CHI had a defined compensation philosophy. Both the executive and non-executive compensation structures and ranges were reviewed annually in comparison to market data. Catholic Health Initiatives used Korn Ferry as the independent third party to assess executive compensation programs and to ensure the reasonableness of actual salaries and total compensation packages. Compensation of the senior most executives was reviewed annually. Korn Ferry reviewed both cash and total compensation for overall reasonableness, for adherence to Catholic Health Initiatives' compensation philosophy, and for comparability to the not-for-profit healthcare market. This independent review was delivered by Korn Ferry to the CHI HR committee of the Board of Stewardship Trustees annually at their September meeting and minutes shared with the full board at the December meeting. The last review was September 25, 2018. In addition, Korn Ferry completed a comprehensive review of all positions at the level of vice president and above in the fall of 2014 to determine and validate appropriate compensation levels. These levels were reviewed annually and revised based on market data, where applicable
