Accordingly, no provision or liability for income taxes has been reflected in the accompanying consolidated financial statements. The Separate Account files tax returns as prescribed by the tax jurisdictions in which it operates. Accounting Standards Codification Topic 740, Income Taxes, requires the recognition of the impact of a tax position in the consolidated financial statements if that position is more likely than not being sustained on a tax return upon examination by the relevant taxing authority, based on the technical merits of the position. At June 30, 2019 the Separate Account had no unrecognized tax benefits and is not under examination by any tax authority.
