Part V, Line 4	Endowed funds are held in an interest bearing account subject to the terms as specified by the donor and Board of Directors. The earnings on the endowment funds become temporarily restricted funds and therefore are not part of the endowment balance. The earnings are used to support the activities and programs in proportion to the restricted balances. Of the \$1,662,929 endowment funds, \$692,332 are restricted to be used for grants/scholarships to students in a healthcare program, \$512,197 is restricted for use in the pediatrics unit, \$100,000 for promotion of a healthy community, \$197,400 for cardiac services, \$100,000 for hospice patients, \$36,000 for plants in public areas and \$25,000 for cancer care.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	References to "Monument Health" apply to all entities controlled by Monument Health, Inc and its subsidiaries. This includes the reporting entity. Monument Health believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. Monument Health would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Part III, Line 9b	The collection policy requires invoking of the financial assistance policy (FAP) at any time a patient expresses financial difficulty in meeting their debt obligation. Upon invoking the FAP, all collection activity is suspended. If the patient is approved for charity, then the account is closed out of the collection process and classified as charity. If a patient expresses financial concern but fails to complete the application process, additional notification is sent to the patient prior to re-instituting collection activity. We are following the 501(r) Final Regulations timelines for notifications and collections.
Part VI, Line 2	We gather additional data on needed services from patient surveys, advisory councils and patient and family advisory councils.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	<p>As part of the annual disclosure of potential conflicts process, all board members, officers, and management are required to complete an annual disclosure statement on financial interests and conflicting interests. At Board and Board Committee meetings, the meeting agenda includes an initial item "Conflicts of Interest" where the Chair asks members if they have any conflicting interests or financial interests related to an agenda item. If a conflicting or financial interest is disclosed, it is noted in the minutes and there is discussion or determination of whether the disclosure requires the board or committee member to be excused from discussion or action on that agenda item. Board or committee members whose disclosure is found to be a conflict may be invited to speak on the matter by the Chair, but are not permitted to vote on the matter and may be required to leave the meeting during discussion, after they have made any comments invited by the Chair. Failure to comply with the Conflict of Interest policy constitutes grounds for removal from office or membership on the Board or Board Committee and, in the case of all employees, termination of employment.</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15a	<p>The Executive Committee of Monument Health Inc (MHI, parent) engaged an independent third party compensation firm to conduct a review of all executives, Vice President level and above, to determine an appropriate compensation range in which their compensation would be established. The independent compensation consultant provided peer group market comparative data for base salary, total cash compensation, benefits and total compensation for executives. The CEO or her designee determines the actual base salary of the executives within the committee-approved base salary range based on experience and performance, providing the total compensation is within the targeted market percentile, e.g. 50th percentile. In May 2017, the independent consultant met with Committee members and presented 2017 data upon which the Committee determined all elements of compensation for the member's CEO (base salary, total cash compensation, benefits and total compensation) and reaffirmed the organization's executive compensation philosophy, which includes the targeted market percentile for all other executives.</p>
