If a conflicting or financial interest is disclosed, it is noted in the minutes and there is discussion or determination of whether the disclosure requires the board or committee member to be excused from discussion or action on that agenda item. Board or committee members whose disclosure is found to be a conflict may be invited to speak on the matter by the Chair, but are not permitted to vote on the matter and may be required to leave the meeting during discussion, after they have made any comments invited by the Chair. <b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 15a	<p>The Executive Committee of Monument Health Inc (MHI, parent) engaged an independent third party compensation firm to conduct a review of all executives, Vice President level and above, to determine an appropriate compensation range in which their compensation would be established. The CEO or her designee determines the actual base salary of the executives within the committee-approved base salary range based on experience and performance, providing the total compensation is within the targeted market percentile, e.g. 50th percentile. In May 2017, the independent consultant met with Committee members and presented 2017 data upon which the Committee determined all elements of compensation for the member's CEO (base salary, total cash compensation, benefits and total compensation) and reaffirmed the organization's executive compensation philosophy, which includes the targeted market percentile for all other executives.</p>
