990 Schedule A, Supplemental Information

Return Reference	Explanation
Schedule A, Part II, Section A, Line 1 - Gifts, Grants and Contributions	Texas Health Resources (THR) as the parent organization of NTHC, has made significant contributions to NTHS over the years. THR is tax exempt as a 509(a)(3) support organization. These contributions represent a large portion of the excess contributions included in Section A, Line 5.

990 Schedule A, Supplemental Information

Return Reference	Explanation
Schedule A, Part II, Line 17a - 10% Facts and Circumstances	<p>The Blue Zones Project is a coordinated community-wide well-being improvement initiative with the City of Fort Worth, surrounding communities, school districts and businesses designed to make healthy choices easier. It is a two-stage effort with the first stage being capital intensive, involving permanent and semi-permanent environmental changes to structures and improvements. By necessity, large grants from a group of large organizations were needed to jump start the project. These larger upfront contributions made a negative impact on the public support calculation. The second stage of the project is focused on community education and involvement which requires less financial capital and is expected to generate a broader support base by continuing to expand the visibility and accessibility of the project. Through this initiative, Fort Worth has become the largest certified Blue Zones community in the nation. There are 53 local restaurants, 17 grocery stores, 105 employers in various industries, and 47 schools which have been Blue Zone project approved. An additional 70+ organizations are participating. These organizations have been making valuable contributions to the BlueZone project's success, though they have not made monetary contributions to NTHC. The support from these organizations has been non-monetary. It is hopeful that these organizations will become monetary contributors to the program in the near future. With the beginning of stage two in 2018, the NTHC Board has been restructured from a small, 3-5 member developmental Board, to a larger, 15-member, independent and community representative Board which hopes to increase the community involvement with the Blue Zone projects. Texas Health Resources remains the sole member of North Texas Healthy Communities and the largest contributor to the Fort Worth Blue Zones project. A significant amount of the stage one dollars were spent on improvements to the Fort Worth community to make public facilities, markets, parks and parking lots become Blue Zone friendly. The mission and goal of NTSP is to improve the health and longevity of the community. The Gallup-Sharecare Well-Being index shows that Fort Worth rose from a ranking of 185th out of 190 metro areas in 2014 to being ranked number 58 in 2017 reflecting the substantial impact of the Blue Zones program on the community at large.</p>

Return Reference	Explanation
Schedule R, Part V, Line 2 - Related Transactions	Texas Health Resources (THR) is the parent organization of a large healthcare system made up of both wholly owned entities as well as related controlled joint ventures as listed on Schedule R. THR's role is to plan, manage and coordinate the activities of the affiliated healthcare system in order to maximize opportunities to deliver cost effective quality medical care to residents of north central Texas. THR provides direction and oversight to its wholly owned affiliates through centralized services. They also provide oversight for the controlled joint ventures. As an integral part of providing centralized services to the affiliates, THR maintains intercompany receivable/payable accounts, most of which do not fall within the scope of IRC Section 512(b)(13). The range of centralized services provided by THR include information services, managed care contracting, Human resources, Revenue cycle, billing and collections, patient access/admissions, legal, tax, compliance, supply chain, quality, business development, insurance, treasury, marketing, general accounting, real estate services, coding, transcription and strategic planning. In addition, THR does daily cash sweeps of all controlled tax exempt entity cash accounts. As a result, THR has numerous daily transactions with controlled tax exempt entities, none of which fall within the scope of IRC Section 512(b)(13). Transactions with related tax exempt organizations falling within the meaning of centralized services as described above, are not listed on Schedule R, Part V, Line 2.
