	Pension Restoration Plan SSM Health (SSMH) provides this supplemental defined benefit nonqualified retirement plan to any employee who is a participant in the SSMH qualified defined benefit plan who earns over the Internal Revenue Service compensation limit. The plan "restores" the benefits to these employees that would have been provided under the SSMH qualified plan if the regulations did not impose compensation limits. An individual can take a distribution from the plan at (1) age 65 or older if the individual is still employed by SSMH or (2) age 55 or older if the individual is no longer employed by SSMH The following individuals listed on Part VII of Form 990 received distributions from the plan in 2018. The organization contributed a percentage of the employee's base salary into their choice of a select list of investments. The deposits and earnings of the plan are owned by SSMH and are tax-deferred until a distribution is made to the employee. In addition, the plan has special safeguards in place to protect the funds from contingencies, other than insolvency. For contributions made to the plan in 2014 or after, the distribution will occur after the completion of four plan years for all executives that are still actively employed on the distribution date.
