**990 Schedule O, Supplemental Information**

Return Reference	Explanation
<p>Form 990, Part VI, Section B, Line 12c</p>	<p>Saratoga Regional Medical PC (SRM) maintains a Conflict of Interest (COI) policy for members of its Board of Directors and SRM officers, regardless of compensation. The policy provides clear explanations as to what family members and/or ownership interests (including non-financial interests) must be considered in assessing compliance with the policy, definitions of compensation (including non-monetary compensation) and examples of conflicts including activities that must always be avoided. On an annual basis, Saratoga Hospital undertakes a conflict of interest disclosure questionnaire process. All members of the Board of Directors, management and, all non-management employees are required to complete and file the questionnaire with the Saratoga Hospital's Chief Compliance Officer. As the Directors and officers for SRM are Hospital employees, the Hospital is the controlling entity for SRM, and all SRM purchases are transacted through the Hospital's purchasing processes the Hospital's COI disclosure process is leveraged to conduct COI review for SRM as well. Inquiries included on the questionnaire are designed to allow respondents to provide yes/no answers that will allow a determination to be made as to whether any non-compliance with the applicable conflict of interest policy has occurred, or whether there are any situations that may require further investigation. Responses to the questionnaires are tracked by the Saratoga Hospital's Chief Compliance Officer and are reported to the Hospital's Board of Directors. On an annual basis the Hospital's Fiscal Services department reviews all responses submitted by all respondents. The questionnaire includes a section where respondents are asked, for any person or entity that has or may do business with the Hospital, to provide names of any external entities they have interests in or are employed by, as well as names of relatives and entities those relatives have interest or are employed by. Additionally, if a potential conflict is known of, but not disclosed on the questionnaire, these persons/entities are also identified by SRM management. Any persons or entities disclosed in this area or otherwise deemed to be potential conflicts are referenced against the Hospital's accounts payable systems and its related entities in order to determine whether business was transacted with any of the disclosed entities during the past year. Materiality of any transactions identified is assessed and a determination is made as to whether the transaction of business with any of these entities was made in accordance with SRM's conflict of interest policy and Saratoga Hospital's purchasing policies (ex. competitively bid, removal of the conflicted person from the decision-making process).</p>
