990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	<p>Democracy & Fair Elections - VPIREF actively supports efforts to make our democracy more open and transparent. We also seek to ensure that elections are fair and balanced by reducing the undue influence of money in our political process. We continue to draw attention to the consequences of the Supreme Court's flawed verdict in Citizens United and watchdog the role of money in Vermont politics. As VPIRG has made great strides enacting laws that expand access to voting, including early voting, online voter registration, automatic voter registration and Election Day registration - VPIREF worked to educate Vermonters, particularly students on college campuses, about these expanded opportunities to participate in the democratic process.</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	Environment and Zero Waste - VPIREF works to advance policies and solutions that move us closer to zero waste in Vermont. To that end, VPIREF continues to defend Vermont's successful Bottle Bill recycling program from industry attacks and makes the case for modernizing the law so that it covers water and non-carbonated beverages. We remain committed to providing the research, policy analysis, and education needed to strengthen recycling and other zero waste programs.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	<p>Consumer Protection - VPIREF serves as a watchdog, protecting the public interest when corporations attempt to put profits over people, and ensuring that the policies and laws aimed at protecting the public interest are, in fact, enforced In 2016, soon after Vermont's law requiring GMO foods to be labeled took effect, a weaker national labeling standard was enacted that preempted Vermont's law While disappointing, VPIREF took the opportunity to press for the strongest federal implementation rules possible In 2017, VPIREF participated in a working group focused on the data brokers industry and how consumers can ensure their personal data is private and secure This process, along with Equifax's data breach and the FCC's rollbacks to net neutrality at the federal level, spurred VPIREF to ramp up digital consumer protection efforts</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	<p>Health Care Reform - VPIREF pursues research, education and outreach aimed at reforming our health care system so that it provides all Vermonters access to quality, affordable health care when they need it. We work at both the state and federal level to watchdog reform efforts, make the process more understandable and accessible for Vermonters, and ensure that the public is actively engaged in the process. VPIREF has weighed in on proposed health insurance rate hikes - including large increases sought by Blue Cross Blue Shield - under review by the Green Mountain Care Board. By educating and alerting members to the potential increases, VPIREF helped generate a flood of comments into the public review process resulting in lower than proposed increases to rates - in the end, saving Vermonters millions of dollars.</p>
