Return Reference	Explanation
Part I, Line 3	Compensation paid to the CEO is approved by the Executive Committee of the Organization's Board of Directors. The Committee approves compensation for the ensuing year after reviewing comparability data presented by an independent outside compensation consultant, an assessment of the CEO's performance over the preceding year, and the organization's program accomplishments for the year.
Part I, Line 4b	Certain executives paid by a related organization participate in a supplemental non-qualified retirement program. The related organization provides a supplemental non-qualified retirement plan to certain of its senior executives as selected by the Board of Directors. The supplemental retirement benefit is based on each executive's compensation and years of service to the enterprise. The benefit is subject to the risk of forfeiture if required years of service are not met. Annual deferred compensation related to this plan is reported in Schedule J, Part II, Column (C) for each participant and reflects the current year increase or decrease in the related organization's pension benefit obligation ("PBO"), calculated pursuant to generally accepted accounting principles. The PBO increase or decrease includes changes in actuarial assumptions (e.g., applicable discount rate), as well as changes in compensation and years of service. In 2016, Anthony Barth, Michael Castro, and Belinda Martinez participated in the plan.
Part II, Line (ii)	The organization's officers are paid by a related organization. Accordingly their compensation is reported on Line (ii).
