Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Pt I Line 2: The grantees submit a budget request to the Board of Trustees which is reviewed each year. If these budgets are for ongoing grants the grantees also include a report on the progress of their research. Once these budgets are approved they are normally funded on a quarterly basis to the grantee. At the end of the year the grantee submits a report to the Foundation as to how the grant was utilized. In addition, the scientists make periodic reports to the Foundation which are considered at its board meetings, and the Foundation Trustees make twice yearly on-site visits to the research institutions.

Part I, Line 4 – Independent Voting Members

Part VI, Line 1b – Independent Voting Members

The recommendation regarding independent members of the governing board of a charity is described and discussed in detail in the report entitled "Principles for Good Governance and Ethical Practice, A Guide for Charities and Foundations", Reference Edition, that was published in October 2007 by the Panel on the Nonprofit Sector. This panel was convened by Independent Sector and its recommendations have been cited with approval by the Internal Revenue Service. Such report concludes that the principle with respect to independent directors does not apply to various types of organizations, including supporting organizations such as the Foundation, as to which the requirements of IRC Section 509(a)(3) require common Board members. In this regard, Footnote 27 on page 23 expressly states as follows: "This principle [a substantial majority of the Board should be independent] does not apply to private foundations; medical research institutions...; supporting organizations or subsidiaries that are required by law...to include representatives of the supported organizations or sponsoring charities on their board..." [footnote listing continues with several other specific types of Section 501(c)(3) organizations].

Part III, Line 1 - Briefly describe the organization's mission:

As a supporting organization to the Clayton Foundation for Research ("Clayton"), the organization's primary mission is to fund medical research for the purpose of discovering the cause, prevention and cure of diseases for the benefit of mankind. The secondary mission is to transfer the resulting medical research discoveries from the laboratory to the use of the general public by patenting and licensing such technology for development into drugs or other products for the use and benefit of mankind through Clayton's other supporting entities.

Part III, Line 4d: Other Program Services

In addition to the 3 grants described above the Foundation funded 2 other medical research grants and project administration expenses at The Salk Institute for Biological Studies. Research plans and budgets for all research projects funded by grants are reviewed and approved on an annual basis by the Foundation's Board.

Part VI, Section A, Line 2 – Business relationships between Officers, Directors and Trustees

Schedule L, Part IV – Business transactions involving interested parties

Mr. Christopher MacKenzie, Vice President and Secretary of the Foundation, is a partner in the law firm of Allison, MacKenzie, Ltd. Mr. MacKenzie was elected in October 2013. Allison, MacKenzie, Ltd. is engaged to represent the Foundation in various legal and administrative matters, as well as leasing office space to the Foundation at rates determined by arm's length negotiation.

Mr. Thomas J. Brorby, who became a trustee of the Foundation on July 1, 1998 (and was elected Chairman of the Board effective May 1, 2008), has provided legal services to the Foundation or its supported organization since 1965. Mr. Dudley R. Dobie, Jr., who became a trustee of the Foundation on March 1, 2005, has provided legal services to the Foundation since 1997. Mr. Brorby and Mr. Dobie are members of the law firm of Brorby, Crozier & Dobie, P.C. ("B,C&D") and together own more than 35% of B,C&D. Such firm is engaged to furnish legal services to the Foundation on an hourly basis in connection with various matters upon the request of Foundation trustees and officers other than Mr. Brorby and Mr. Dobie. The Foundation's relationship with B,C&D pre-dates the naming of either Mr. Brorby or Mr. Dobie as trustees. In their capacity as members of the Board of the Foundation, Mr. Brorby and Mr. Dobie do not participate in any decisions involving assignment of work to B,C&D and are not involved in the review and approval of the detailed monthly invoices sent by B,C&D to the Foundation. In their capacity with B,C&D, Mr. Brorby and Mr. Dobie do not participate in the preparation of the monthly statements of amounts billed to the Foundation. The other trustees (with Mr. Brorby and Mr. Dobie abstaining) have approved this arrangement with full knowledge of Mr. Brorby's and Mr. Dobie's position as a member of and a holder of a financial interest in B,C&D.

Several written opinions have been obtained from well recognized independent accounting and consulting firms as to the reasonableness of the legal fees being paid to B,C&D by the Foundation. In addition, all steps listed in the regulations under IRC Section 4958 (including approval by a compensation committee composed of disinterested persons) have been taken to obtain the rebuttable presumption that compensation paid to B,C&D is reasonable. More specifically, the Foundation has periodically engaged an independent consulting firm to review the legal fees paid to B,C&D. Such consulting firm examines the relevant facts and collects information and data from the Foundation and B,C&D. It also collects and analyzes compensation data from a peer group of comparable unrelated attorneys and law firms that it selects for

Name of the organization Clayton Medical Research Foundation, Inc.	Employer Identification Number 51-0306704
---	--

comparability purposes. Such consulting firm then renders a written report and opinion containing its conclusions and recommendations. Such report (including a thorough description of the facts and the comparability analysis and data) is provided to the Foundation's Compensation Committee. Such committee, which has the sole authority to approve the compensation arrangement with B,C&D (including hourly rates), constitutes an authorized body composed of persons that do not have a conflict of interest with respect to such compensation arrangements under the rules and requirements set forth in Reg. 53.4958-6(c)(1). The committee meets and reviews the consulting firm's report and the comparability analysis and data. At the meeting, the committee has the opportunity to ask questions and request additional information from a Foundation representative on the committee (who recuses himself from the meeting before any action is taken). After review of the relevant documents and data and after deliberations, the independent committee members make the determination with respect to the amount and reasonableness of the compensation arrangement. Such determination is binding on B,C&D. Detailed minutes of each Compensation Committee meeting are contemporaneously prepared and maintained in the Foundation's files.

Form 990, Part VI, Section A, Line 11a & 11b – Was a copy of the Form 990 provided to the organization's governing body before it was filed? All organizations must describe in Schedule O the process, if any, the organization uses to review the Form 990.

Form 990 is prepared by the Foundation's accounting staff and sent to the Brorby, Crozier & Dobie law firm for review by a tax partner. Each trustee is also given a copy of the return for review. The return is then presented by the Treasurer at a board meeting of the trustees prior to filing. During such presentation there is a discussion of the answers to key questions and of the required disclosures in Form 990. Once satisfied with the content of the Form 990, the trustees approve the return for filing with the Internal Revenue Service, and the return is signed and dated by the appropriate officer of the Foundation.

Form 990, Part VI, Section B, Line 12c – Does the organization regularly and consistently monitor and enforce compliance with the policy? If ‘yes,’ describe in Schedule O how this is done.

Annually, the trustees and officers review the Conflicts of Interest Policy adopted by the Foundation. At a meeting of the Board each year, both the trustees and the officers sign and date a statement which affirms that such person has received a copy of the conflict of interest policy, has read and understands the policy, has agreed to comply with the policy, and understands that the Foundation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one of more of its tax-exempt purposes.

It is the policy of the Foundation to assure that any conflicts of interest or potential conflicts of interest are fully disclosed to the Board before a decision is made or before the Foundation enters into a proposed transaction. Where necessary to determine whether a conflict of interest exists, after disclosure of the financial interest and all material facts, and after any discussion with the interested person, he or she leaves the Board meeting while the determination of whether a conflict of interest exists is discussed. If the Board determines that a conflict exists, the Board then determines whether the transaction or arrangement is fair and reasonable and should be permitted, despite the conflict (or not), as being in the best interests of the Foundation. In instances where the Board has determined that a member has failed to disclose an actual or possible conflict of interest, it will take appropriate disciplinary and/or corrective action.

Form 990, Part VI, Section B, Line 15 – Did the process for determining compensation of the following persons include a review and approval by independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision:

- a. The organization's CEO, Executive Director, or top management official?**
- b. Other officers or key employees of the organization?**

Describe the process in Schedule O

Several written opinions have been obtained from well recognized independent accounting and consulting firms as to the reasonableness of the compensation being paid to the officers and trustees of the Foundation (including amounts paid by related organizations). In addition, all steps listed in the regulations under IRC Section 4958 (including approval by a compensation committee composed of disinterested persons) have been taken to obtain the rebuttable presumption that compensation paid to the trustees and officers is reasonable. More specifically, the Foundation has periodically engaged an independent consulting firm to review the compensation of the officers and trustees of the Foundation and the group of related and supporting entities. Such consulting firm examines the relevant facts and collects information and data from the Foundation. It also collects and analyzes compensation data from a peer group of unrelated non-profit and for-profit organizations that it selects for comparability purposes. Such firm then renders a written report and opinion containing its conclusions and recommendations. Such report (including a thorough description of the facts and the comparability analysis and data) is provided to the Foundation's Compensation Committee. Such committee, which has the sole authority to approve officer and trustee compensation, constitutes an authorized body composed of persons that do not have a conflict of interest with respect to such compensation arrangements under the rules and requirements set forth in Reg. 53.4958-6(c)(1). The committee meets and reviews the consulting firm's report and the comparability analysis and data. At the meeting, the committee has the opportunity to ask questions and request additional information from a Foundation representative on the committee (who recuses himself from the meeting before any action is taken). After review of the relevant documents and data and after deliberations, the independent committee members make the determination with respect to the amount and reasonableness of the officer and trustee compensation arrangements. Such determination is binding on the trustees and officers of the Foundation. Detailed minutes of each Compensation Committee meeting are contemporaneously prepared and maintained in the Foundation's files.
