| Return Reference | Explanation   |
|------------------|---|
| Part I, Line 2   | Families are required to fill out a School and Student Services (SSS) application for each child they are requesting financial assistance for. Through the use of this form families disclose all of their financial information and indicate what amount of tuition and fees they feel they are able to pay. This form is submitted directly to SSS. After receiving the family's application form, SSS calculates, for each child, the family's ability to pay based on the numbers provided. This result is sent to the school's Financial Aid Committee. The committee uses this form as well as the family's tax return to determine an appropriate financial aid award to offer the family. |
