Other	<p>Page 2 Part III Line 4: Becket is a non-profit, public-interest law firm with a mission to protect the free expression of all faiths. Becket exists to vindicate a simple but frequently neglected principle: that because the religious impulse is natural to human beings, religious expression is natural to human culture. We advance that principle in three arenas -the courts of law, the court of public opinion, and the academy-both in the United States and abroad. At Becket we have defended the religious rights of people from "A to Z," from Anglicans to Zoroastrians. Our supporters represent a myriad of religions, but they all share our common vision of a world where religious freedom is respected as a fundamental human right that all are entitled to enjoy and exercise. Becket relies on its own legal team, and its lawyers are renowned experts in litigating this particular aspect of constitutional law.</p>
