If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of August 31, 2020 and 2019, there are no accruals for uncertain tax positions. If applicable, the Organization records interest and penalties as a component of income tax expense. Tax years from 2017 through the current year remain open for examination by tax authorities.
